NEW BRIDGE AT INO—County workmen are busy trying to complete a new bridge crossing Holley Mill Creek, four miles south of the Ino Community. The old bridge was deemed unsafe for travel due to

rotten wood pilings. These have been replaced with steel pilings and the entire structure has been extended 26 feet. County officials predict the bridge will be completed by October 8.

## School Systems To Benefit From Proposed Sales Tax

The Coffee County Commission voted Monday to allocate 35 percent of all revenue raised by a proposed one-cent sales tax increase to the county's three school systems, and to take away the restriction that the funds be earmarked for capital outlay. The changes came about after a discussion between the commission and the superintendents of the three systems.

County Superintendent Johnny Vaughan, acting as spokesman for the educators, stated, "We are here to discuss the new sales tax bill advertised in the newspapers. It is now set for us to receive 20 percent of the sales tax income, and we would like for the percentage to be increased to 35 percent. The special session starts tomorrow (Sept. 29) and both legislators have agreed to the change if the commission will agree. We need the funds to help us catch up with funds lost due to recent proration and we feel 50 percent is a fair share."

Some of the commission members asked Vaughan whether or not he was previously against the sales tax, as publicized, and Vaughan answered "I was opposed to the commission's levying a sales tax; I am definitely not opposed to such a tax if it is passed by a vote of the people."

Commissioner Charlie Mack Martin asked, "If we set the figure at 35 percent, would the school boards actively support the passage of the tax, or actively oppose it?" All superintendents

answered they would not become actively involved in the politics of the election.

"Our schools in this county need funds for operation," stated Thad Morgan, superintendent of Enterprise City Schools. "I think it would be wise if the tax revenue were not earmarked for capital outlay. The funds are needed to help cover operational expenses in education. We have three good school systems in Coffee County that haven't had to face the problems of many other counties, and these funds will be wisely used."

"Our board will be glad to come and talk with your gentlemen about the

problems faced today in education," said John Osburn, superintendent of Elba City Schools, "and we will be most agreeable to receiving additional funding through this tax package."

Superintendent Vaughan added, "The new tax revenue will help us catch up on lost funds due to three years of proration."

A motion was then made to up the percentage of revenue to the schools from 20-35 percent and to do away with earmarking of the funds. It passed by a vote of 5-0, with Commissioner Rex Boutwell abstaining.

## Rural Areas To Get Water

By NITA LACKEY

One-hundred and fifty-four rural area citizens can expect to have city water soon, according to Elba City Clerk Jack Prescott.

Bids will be received by the Water and Electric Board of Elba until 5:00 p.m. October 27 for the pumping station, pipe and other materials needed to complete the project. Work is expected to begin very soon after the bid is let, Prescott said.

The areas to be included in the addition are: along 87 North from the present water lines to Pea Creek; along 64 East from the present lines

to the Shiloh Community; and along 87 South and the Old Samson Highway to where these two roads fork.

Also included in this project will be some additional water lines and fire plugs placed on the east and southeast sides of Brookdale Subdivision, Prescott said.

The project is being funded by a five percent FHA loan of \$282,000.00. If any of this money is left over after the low bid has been accepted, the city will add to the project.

Polyengineering, Inc. of Dothan is the consulting engineer handling the project.

## County Commissioners Do An About-Face On Paving

The Coffee County Commission met in regular session on Monday, September 28, at the courthouse in Elba, and did an about-face on an earlier decision to borrow money to pave the Moates Road in Enterprise. At the previous meeting on September 14, the commission voted to borrow over \$200,000 to pave the dirt road, including a section of the road inside the Enterprise city limits, and do the work as soon as possible. However, in a new motion passed this week, the road will be paved, along with two others, if the commission borrows any money to do paving.

A large crowd was on hand for Monday's meeting, including delegations from both the Goodman Road and the Sparks Street Road. Rufus Bradley, the spokesman for the residents of the Goodman Road, stated, "We came to see if we can get something done to our road. All these years you said you didn't have the money, but now it looks like you can borrow the money. We pay taxes like the people in Enterprise, and we want up for paving several years ago, and the dust is terrible - you can hardly breathe. I wish everyone of you commissioners had to live on the road for just one day."

Commission chairman Judge James L. Sawyer told Bradley the priorities were established in 1976, and since then some roads had been worked up ready for paving. He reminded everyone that no roads had been paved yet.

"If you can pave roads in the city, it looks like you can pave roads in the county," declared Bradley. "If you are not going to do something, give us our land back and we'll put up a fence. If I furnished the money, would you pave my one mile of road? I'll pay the money if the county will pave the road!"

"If it was up to me," said Commissioner Rex Boutwell, "if we borrowed any money, we would pave the Goodman Road and then go in order of priorities."

The Sparks Road delegation was next to be heard, with Wendell Rogers acting as spokesman. "We appreciate your working up our road, but I was under the impression the Goodman Road would be paved first, then ours and then the Moates Road. I think the question is - 'Why is the Moates Road now going to be paved?' I think the priorities should be cleared up - fair is fair. We have 66 people on our road; it is a bus route and a mail route. I realize the lack of funds and know you have other problems, but if you could get this one thing settled, it would help matters."

One resident stated, "We don't know when the school bus will even bring our kids home - when it rains the road is impassable," while a woman present declared, "It is clear to me - the city of Enterprise gets priority!"

Commissioner Boutwell spoke up again and made a motion that if the commission borrowed any money to do paving, it would be done in the order the roads were worked up: 1) - Goodman Road; 2) - Sparks Road; and 3) - Moates Road.

Commissioner Charlie Mack Martin was next to speak, saying, "I only have one vote, but if we are going to borrow any money to pave one road, I think we

should borrow enough to pave all three. We are now working on the budget and we are spending all the money we get. It has been said we have fat in the budget; well, if we do, I wish someone would show it to me! I am not in favor of borrowing any money for anything at this time, because we don't have anything to pay it back with."

The commission discussed Boutwell's motion, both pro and con, and then tacked on an amendment, stating if money is borrowed, all three roads will be paved at the same time. The new motion overrides a previous vote to pave Moates Road; so, its residents must now sit and wait with the people from the other areas.

Three ladies from the Goodman Community were next to address the commission, and they requested the county construct a chain-link fence four feet high and 200 feet long, on county property near the Goodman School, to keep students from running out into the roadway. The ladies reported the fence would cost \$490-\$530, and said it was urgently needed.

The commission questioned the legality of constructing the fence, but did vote to put up the fence if it was legal.

Heflin Smith, from Kinston, asked the commission if it would give the city a senior aide worker to act as director of the Human Resource and Development Center in Kinston. The town has a center but no director, and Smith stated the city council had agreed to pay utilities and all gas expenses of transporting needy citizens.

Judge Sawyer reported he had talked to personnel in the various offices and he had been assured the next senior aide slot would go to Kinston.

Kenneth Ball, County Health Officer, was at the meeting, along with State Health Department representative Jack Honeycutt, and County Environmentalist Richard Brown. The men were present to discuss the county's plan to discontinue house-to-house garbage pickup on September 30, and discussed the garbage pickup methods used statewide.

"The law states the county does have alternatives under the Solid Waste Act," said Honeycutt, "but no matter which the county chooses, it will be responsible for its service. Many counties use the method you do and

break even, while some contract the service to outside companies. There is a direct relation to the enforcement of the program and its success."

Ball reported that 50 warrants had been signed for failure to comply with the regulations, but not one had been convicted. He added that people had only two choices - join the county program or get a certificate from the health department. If a resident doesn't comply, he is in violation.

The commission echoed the problems in prosecuting violators, but stated it was their obligation to provide a landfill and nothing more. Commissioner Billy Egerton added, "Only 30% of the people in the county are using the service, so that means 70% don't want it. Why should we continue to lose money every year on something most people don't want?"

In other action at Monday's meeting, the commission:

\*\*\*heard representatives of the Southeast Alabama Mental Health Board request the county continue making its yearly appropriation. The board is a non-profit organization serving four counties;

\*\*\*voted to support any county water authority desiring to provide fire protection, with the stipulation that the commission would have no liability whatsoever;

\*\*\*discussed a resolution concerning work on the Wilkerson Creek Watershed Project;

\*\*\*voted to use Blue Cross-Blue Shield as the county's health insurance agency for the coming year;

\*\*\*agreed to purchase 15 folding tables at a cost of \$675 for use at the Farm Center. The tables will be assigned to County Agent Tom Casaday and he will be responsible for their upkeep;

\*\*\*heard Probate Judge James L. Sawyer request three additional employees for help in his office;

\*\*\*discussed manpower and machinery in the districts, and talked about the need for equal personnel in each district;

\*\*\*agreed to advertise for bids on culvert pipe, stone and asphalt;

\*\*\*voted to discontinue house-to-house garbage pickup service by the county and raise the rates charged to cities by 25 cents; and

\*\*\*adjourned until Wednesday, September 30, to adopt a budget.

JUDGE JAMES SAWYER explains road paving priority list in response to delegation's complaints during commission meeting.

## Murder Trials Postponed; Ard Gets Another 10 Yrs.

The murder trials of LaDonna Tucker and Douglas Ard have been continued and no date has been set in Coffee County Circuit Court at this time. The two are charged with allegedly hiring Ard's brother, Donald Ray Ard, to kill Mrs. Tucker's husband, Sfc. Jimmy Eugene Tucker.

Tucker's charred body was found in a burned truck on a rural Coffee County road on January 24.

Donald Ard, 29, was found guilty of murder for hire in August and sentenced to life in prison without parole. This week he was also found guilty of criminal mischief charges by a Houston County jury and sentenced to another 10 years in prison and fined \$5,000.

The criminal mischief charges stem from an incident which occurred in July after he was transferred to Houston County Jail on a request from Sheriff Brice Paul.

Witnesses testified that Ard smashed three windows in a security "control room" at the new county facility on July 26 and then later broke a sink off the wall and flooded his cell because the jailer refused to take him to see a doctor.

Sheriff Paul said he made the request for Ard's transfer from the Elba facility after he got involved in a fight with a jailer and then tried to choke the sheriff.

Last month Ard was sentenced to 10 years in prison by Circuit Court Judge Terry Butts after being found guilty of escape from the Coffee County jail in March.

### Clipper Inside

Elba High School climaxed its annual homecoming last week with a win over Dale County's Warriors. Details of the game and highlights of homecoming activities are included in this week's Clipper.

New Brockton's homecoming is scheduled this week with Queen Lori Blackmon reigning over the parade through downtown Friday.

POOR ORIGINAL

## Brainstorms

By FERRIN COX

We keep hearing talk that the Coffee County engineer has said he wasn't going to move into Coffee County. Well, Alabama law says in plain English that the county engineer will reside within the county, so ye ol' editor just asked Mr. Bowdoin his intentions. He assured us he was in the process of moving to Kinston. This will make his salary from Coffee County legal.

Paving of rural roads in Coffee County has been virtually non-existent for several years. Now the county commission is promising to pave several "if we borrow any money at all." Anyone willing to bet with ye ol' editor on the amount of road paving on rural roads between now and this time next year?

Having second thoughts, we might be able to do a lot of things if we "trim some fat". Probate Judge James Sawyer testified in court last week that he could build a jail with existing funds. This is in spite of the fact he is asking for more help in his office; the sheriff is asking for more help, cars, etc.; the tax assessor will not have assessment sheets ready for at least another month because of a shortage of help, etc. We like trimming fat, but occasionally see the excitement of the event causing folks to get over-emotional with their promises. It is a great idea, but will it work?

Recently, myself and two other fathers were waiting for our sons to finish junior football practice when a mother of another boy walked up. Now she was barefoot as they come, which was alright but...she apologized to Superintendent John Osburn and said she would have stayed in the car if she had known he was in the group. When the others protested the statement she tried to explain it away, but the damage was done and neither of us accepted her excuses, but have just about gotten over our hurt feelings. If she pulls that stunt again we just might call her name or make her picture.

The City of Elba is discussing going back to City Court rather than the present District Court system. Their concern is not with the quality of the courts but with the state of Alabama getting so much of the money (it's the law). We have been amazed recently at the number of people who don't fully understand the relatively new District Court nor Judge McAlley's duties. We think he is doing a good job (or jobs) and have resolved to write about his court in the near future.

Wednesday morning early there were several cows grazing contentedly on the Elba High School football field. A few months ago it was used to round up a loose bull and now these cows. Apparently the work to keep the grass green for football games also pleases the area cattle.

The Alabama Legislature is in special session and struggling with reapportionment. We wish their luck, 'cause almost no one liked the way the federal courts did the job before. The dominant plan at press time would put most of Coffee County in one district, except for about 1,500 people in the southeast corner going with Geneva County. Covington County would be a district of its own and the two beats now served by Representative Jimmy Holley would be lost by Holley as would a small area in the lower end of Covington now being represented by Gene Daniels of Geneva County. Of course Senator Wallace Miller would still represent Covington and Coffee County now represented by Senator Mike Weeks and Representative James Ray of Pike County.

Mrs. Laura Folsom is in Flowers Hospital in Dothan suffering with a broken hip from a fall at the local cemetery. Husband Bob has moved his travel trailer to Dothan to be with her. Surgery is planned as soon as she is physically able, said former Mayor Bob Folsom. She is in Room 248.

Elsewhere on this page is an editorial under the pen name of Josh English. This writer defends the Moral Majority and condemns Senator Barry Goldwater. Probably we disagree with the editorial more than we agree. Our main disagreement is our alarm over an apparent feeling by Moral Majority that because they happened to be on the winning side one time, it is their right to dictate to the rest of the country. If they would low-key it a little, even ye ol' editor could support their efforts, but we shy from any extremist on either side of a matter, believing there is usually a middle road we can all follow.

## Citizen Involvement Should Be Welcomed Hospital Board Meets

By JOSH ENGLISH

Senator Barry Goldwater's recent criticism of the involvement of church groups in politics is disgusting. A few days ago Sen. Goldwater was quoted as having stated: "I'm frankly sick and tired of the political preachers across the country telling me as a citizen that if I want to be a moral person I must believe in A, B, C and D--just who do they think they are?"

A couple of points need to be made concerning the senator's vicious, astute and unjustifiable attack on citizen involvement in government. First, why should Americans believe Goldwater's motives are more noble than those of the groups under fire? Second, in this era of widespread voter apathy one would think citizen input would be welcomed, not scorned, by a member of the Senate.

In the final analysis, as Americans let us hope the future portends greater citizen involvement in the government's decision-making process. As voters, let's remember the vociferous attacks made by Senator Goldwater and his ilk.

The board gave annual approval to doctors with staff privileges in the hospital, following the recommendations of the medical staff. An out-of-town doctor was denied approval while another was issued a speeding citation.

## OBITUARIES

**DONALD STODDARD** -- Funeral services for M. Sgt. (Ret.) Donald Eugene Stoddard, age 49, of Tuscaloosa, were held Thursday, Sept. 24, 1981, at Friendship Baptist Church. Burial was in the Evergreen Cemetery under the direction of Hayes Funeral Home.

Survivors include his wife, Mrs. Janice Stoddard, Tuscaloosa; his father, Philip Stoddard, Hannibal, Missouri; and his mother, Metta Wagner, also of Hannibal.

One son - Donald E. Stoddard, Jr., Moline, Ill.; five daughters - Judy Stoddard, Kimmie Hudson, and Donna Hudson, all of Tuscaloosa; Cathy Merrill and Betty Stoddard, both of Galva, Ill.; six grandchildren.

**FOYE CROOK** -- Funeral for Foye Elizabeth Crook, 87, of Elba, was held from the Bethany Baptist Church near New Brockton, with the Rev. Q. P. Jones and Rev. A. O. Martz officiating. Burial was in the church cemetery with Hayes Funeral Home directing.

Mrs. Crook died Thursday, Sept. 27, at the Elba General Hospital.

Survivors include: two daughters, Mozelle Prescott and Helen McCollough, both of Elba; four sisters, Elva Lennard, Sybil Deavers, and Wildean McMillan, all of Grove Hill; and Blonnie Whitlow, of Selmer, Tenn.; two brothers, Bracey C. Hill of Linden, and Quincy Hill of Grove Hill; four grandchildren and three great-grandchildren.

## POLICE DOCKET

The following are actual excerpts from the police docket of the Elba Police Dept. from Wednesday, Sept. 23 until Monday, Sept. 28. (All names have been omitted.)

**WEDNESDAY, SEPT. 23**  
7:37 a.m. -- An Elba woman is issued a citation for driving wrong way in school zone.  
8:40 a.m. -- Elba General Hospital requested Rescue Squad transfer a patient home.  
10:23 a.m. -- Woman caller at Elba hospital requested police, someone trying to steal her child.  
2:42 p.m. -- A Samson woman is issued a speeding citation (60 in 40 zone).  
4:39 p.m. -- Woman caller requested police on Samson Hwy., in reference to snake.  
5:51 p.m. -- Person in station wished to talk to police on family matter.  
6:38 p.m. -- Woman caller requested police at downtown store, keys locked in car.  
9:01 p.m. -- Male caller reported peanuts in road off 87 at 134 and County 14.

**THURSDAY, SEPT. 24**  
12:03 a.m. -- Person in station reported a possible prowler on 84 West.  
2:46 p.m. -- A New Brockton man is issued a speeding citation.  
11:34 p.m. -- Woman caller complained about a neighbor's dog barking.  
**FRIDAY, SEPT. 25**  
9:58 a.m. -- Male caller reported wreck on County Road 105, off 84 East.  
1:29 p.m. -- Caller requested Rescue Squad at Morrow Warehouse.  
4:02 p.m. -- Male caller advised of minor wreck on Claxton Ave.  
4:26 p.m. -- An Enterprise driver is issued a speeding citation.  
4:35 p.m. -- An Enterprise driver is issued a speeding citation.  
4:52 p.m. -- A Blountville driver is issued a speeding citation.  
4:59 p.m. -- A Samson driver is issued a speeding citation.  
5:21 p.m. -- An Opp man is arrested for highway intoxication.  
5:23 p.m. -- An Elba man is issued a speeding citation.  
9:17 p.m. -- Auxiliary patrolman requested police behind high school.  
11:13 p.m. -- Caller advised it sounded like dynamite shooting at dam.

In the first meeting since July, the annual budget was given tentative approval for the new fiscal year beginning October 1. It exceeded \$2.8 million for the hospital and nursing home and does not reflect any income from the facility's expansion, which is not expected to be ready for about 16 months. The budget will be closely reviewed by each board member and a special meeting called to give it full approval or revise parts of it.

The board gave annual approval to doctors with staff privileges in the hospital, following the recommendations of the medical staff. An out-of-town doctor was denied approval while another was issued a speeding citation.

## Rotarians Learn About Nuclear Power

By NITA LACKEY

Nuclear power usage is a "balance of risks," according to nuclear specialist Mary Jacobs, of Farley Nuclear Plant near Dothan.

This statement was in response to the question, "Why do many of the nuclear experts disagree as to the safety of nuclear power plants?" Ms. Jacobs explained that one could say that we should go back to walking just because there are so many car wrecks.

Ms. Jacobs was the guest speaker at the Elba Rotary Club meeting Monday. She went on to say that Farley Nuclear Plant does not pose the danger of an explosion or anything that people would have to get away from in 5, 10 or 15 minutes. Any problem that may develop would build up over several days, she said.

If any danger from the plant becomes evident, people within a ten mile radius of the plant will be notified through use of weather alert radios. Citizens will be told to turn on their televisions or radios for instructions.

Ms. Jacobs provided slides showing how the containment building is constructed, and how the reactor works. Farley is a two-unit nuclear plant which uses uranium fuel pellets. Energy generated from one fuel pellet is equal to the amount generated from one ton of coal.

To get the energy out of the pellet a process known as fission is used--the nucleus of the uranium atom is split, Ms. Jacobs explained. This causes friction to heat water, which turns into steam used to turn turbines.

The uranium pellets are put together to form rods, which in turn are placed together to form a fuel assembly. The fuel assembly goes into the core of the reactor--which is where the atoms are split.

**ROTARY GUEST**--Ms. Mary Jacobs, nuclear specialist from Farley Nuclear Plant near Dothan, spoke at Monday's Rotary Club meeting. She explained the operations of the nuclear plant to the club members and answered their questions about nuclear power.

## Course on Computers For Small Businesses

Owners and operators of small businesses in the Wiregrass using computers or thinking of using computers have an opportunity to learn about computers in a short course offered at Enterprise State Junior College, according to Mary Bauer, director, Continuing Education.

The course - Computers for Small Businesses - will emphasize terminology, functions for which standard programs are available, modification of standard programs, custom programming, hardware and software costs, time saved and information gained.

The registration deadline is Monday, Oct. 12. Ten or more must register by that date or the course will be cancelled. Once ten or more enroll registration will remain open until the enrollment limit of 30 is reached or until the first session. Classes meet from 6 till 8:30 p.m. each Monday and Wednesday through Oct. 28. The fee is \$12.

## Elementary Menu

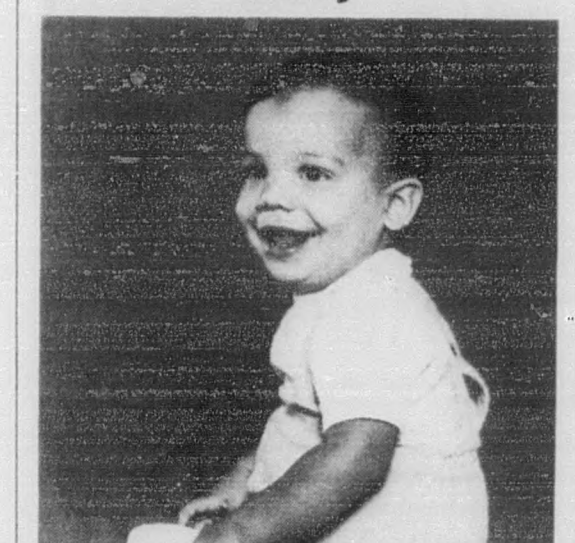

**Oct. 5 - 9 MONDAY**  
Country fried steak w/ gravy  
Mashed Potatoes  
Green Beans  
Fruit Cup  
Rolls  
Milk

## NEWS BRIEFS

**AMERICAN LEGION MEETING**  
The American Legion, Culver Post 42 and Auxiliary, will meet at Legion Home on Troy Road, October 1. Mrs. Eric Crook, auxiliary president, and Wayne Harrison, commander, invite all members and prospective members to attend since plans will be made for car pools to attend the 35th District meeting in Ozark on October 5.

**VOTER REGISTRATION**  
The Coffee County Board of Registrars will be in session October 5, 6, 7, 8, 9, & 12 at the courthouse in Elba; and October 13, 14, 15, 16, 19, & 20 at the annex in Enterprise from 9 a.m. - 4 p.m.

**BAND BOOSTERS MEETING**  
The Elba Band Boosters will meet October 5 at 7 p.m. in the high school band room.

**ROSE SHOW**  
The Boll Weevil Rose chapter of Enterprise is sponsoring Coffee County's fourth annual Rose Show October 10-11 in the Student Center of Enterprise State Junior College. The public is invited to view the exhibit on October 10 from 2:30-6 p.m. and on October 11 from 1:30-4 p.m. Admission is free.

**GUIDANCE COUNSELORS WORKSHOP**  
Dr. Norman Gysbers will present a workshop for area guidance counselors on October 8 at Enterprise State Junior College in the Fine Arts Building room 105 from 1:30 p.m. - 4 p.m. The workshop is sponsored by District IX of the Alabama Personnel and Guidance Training Program from the University of Ohio. For additional information about the workshop, contact Gladys Yelverton at 897-6863.

**FAMILY REUNION**  
Members of the John Henry Wambles family will gather on Sunday, October 4 at the Victoria Community Center for a family reunion. All friends and relatives are invited to attend the noon dinner.

**GOSPEL SINGING**  
The regular monthly singing will be at The Tarentum Community Center Saturday night, Oct. 3rd. Beginning at 7:30 p.m. The quartets will be the Bryan Brothers from Bainbridge, Ga. and The Cross Road Boys from Enterprise. Everyone is invited to attend.

**SORORITY PLEDGE**  
Holly Vaughan, daughter of Mr. and Mrs. Jack Vaughan of Elba, recently pledged Chi Omega sorority at Huntingdon College in Montgomery.

Huntingdon College, a Methodist-related, four year liberal arts college, is celebrating its 128th anniversary, and boasts an enrollment of approximately 650 students.

## Middle School Menu

**BREAKFAST**

## PERSONAL & FAMILY relationships

### FAMILY FEUDING

By William A. Miller

One time a man said to me, "My wife and I have been married 24 years and we have never quarrelled." I didn't believe him. God created each of us as unique individuals. That very fact means we are not alike. Conflict is inevitable. If it isn't, someone is swallowing a painful lot of differences you

Those discharged during the same period include: Brian Miller, Marilyn Cole, Mary Watson, Jessie Barbaree, Wilma Roy, Lerna Roberts, Nina Allen, Sheila Simmons, Linda Chism, J.C. Boutwell, James Williams, Annie Marler, Evelyn Mincy, Preston Filmon, Dana Dean, Vivian Alday, James Blair, Hazel Bragg, Lorene Bryan, John Truitt, Ida Hooks, Valerie Williams, Tony Wae, Merle Smith, Dale Tidwell.

Some people believe that the ideal marriage/family is conflict-free. They even teach that, and make you feel guilty if you quarrel. Fight! But fight fair. Don't get into hitting, or name-calling, or "you-ing." ("You are a SOB," "You are a meek," "You are a quarel, define and agree upon what you are quarrelling about. (One thing at a time, please.) Don't drag in past history. Stick to the facts.

Try to adopt a problem-solving attitude instead of an attitude of "I must win." Avoid sniping and taking pot shots. Try to help the other person save face. Revenge may be sweet at the moment but in the long haul it has a bitter taste.

Dr. Miller is a counselor associated with The Alabama Lutheran Church.

## Wise Mill Homecoming

Wise Mill Assembly of God will observe Homecoming at home and go to the ends of the Earth sharing the good news that Jesus is risen from the grave and has provided salvation for all who will believe and receive Him as Lord and Saviour. It is a thrilling challenge to fulfill Jesus' command. We all have opportunities daily to share our faith with those with whom we come in contact. Every new contact is a new experience when we are willing to allow Jesus to use us.

Homecoming will be held at the Newbia Baptist Church Sunday, Oct. 4.

The guest speaker will be Rev. Donnie Marler, pastor of the Bluff Springs Baptist Church. There will be special singing in the afternoon.

A revival will begin that night with the Rev. David Richburg from The White-water Baptist Church, Elba, serving as the guest minister.

A special prayer service will be held at 7:00 with the revival services beginning at 7:30.

Everyone is invited to attend.

"No blessing lasts forever." Plautus

It will have been my

privilege this week to share the good news of Jesus with people in Buffalo, N.Y. when you read this article. Several of our pastors have been given the opportunity this week to preach in revivals across the western part of New York State. I am sure each of us will have a thrilling experience to share when we get back. I plan to share some of these experiences with you in this article during October.

But, whether it be at home, in another state, or a foreign land it is always a joy to share Jesus with others.

## Homecoming To Be Held At Newbia

## Opp's MacArthur Tech Offers Many Career Opportunities

Above, students in the upholstery class are hard at work recovering a seat. Below, Jackie Spikes of Geneva (left) and Kathy Carter of Opp pose with chairs that they recovered. Although these chairs look complete, the girls said they still have to do some finishing touches.

By NITA LACKEY

There are two kinds of colleges-academic and technical. Academic colleges are set up to get people ready for a four year college, whereas a technical college gets people ready to go to work, according to Claude Nevin, president of MacArthur State Technical College.

A technical college teaches you a skill you can sell in the marketplace," Nevin said. MacArthur offers six hours of instruction per day in the field of your choice, part of which is spent in the classroom and the rest in the lab. If students are unable to be in class for that amount of time they may go half or three-

quarters time, Nevin said. "People need to take more pride in being a technician," he said. In some of their travels, Nevin and his wife found that in Germany, citizens take great pride in being technicians. People need to realize that technicians are just as important as professional people, he emphasized. He pointed out that a doctor, lawyer, or other professional calls the plumber if he or she has a plumbing problem, or an auto mechanic if his or her car is broken down. These people are professionals in their own field.

Nevin has been with MacArthur Technical College since it opened in November 1965. The school had 12

departments and 113 students when it began. Today, it has 19 departments, and 565 students enrolled for the fall quarter, with more expected to enroll before the deadline for fall.

Before coming to the technical school, Nevin taught history at the University of Alabama for one year, taught off-campus for Troy State University for three years, and served as principal of Kinston High School for 20 years. "This is the most exciting and ful-

filling job of all I've had," he said.

The school was originally designed to serve all of Covington and Coffee counties, as well as west Geneva County and south Crenshaw County. They have eight buses running to provide transportation for those who can't or don't wish to drive to school.

Next door to the technical college is the mother library of the Cross Trails libraries. This library sends out bookmobiles each day to crossroads and country stores, Nevin said.

The following 19 trades are offered at MacArthur State Technical College: Auto Body Technology; Automotive Mechanics; Barbering; Business Data Processing Technology; Accounting; General Clerical; Secretarial; Cabinet Making; Cosmetology; Diesel and Heavy Equipment Mechanics; Drafting and Design Technology; Electronics Technology; Industrial Electricity Technology; Practical Nursing; Radio and Television Technology; Textile Technology; Upholstery; Welding; and Air Conditioning and Refrigeration.

Four of these trades are offered at night as well as day classes: Air Conditioning and Refrigeration; Diesel and Heavy Equipment Mechanics; Industrial Electricity Technology; and Welding.

Cost per quarter is \$100.00. Some trades are four-quarter programs, others are six-quarter programs, and some are eight-quarter programs.

Many of the departments get calls every day for graduates to come to work for them. Charles Gibeau has 50 to 100 calls a year for graduates of his Drafting and Design Technology course; however, he only has seven or eight graduates each year.

A recent graduate of that department is Danny Oglesby of Elba. He began work in September 1981 at Bush Hog in Selma. "All graduates get good jobs in their field," Gibeau said.

Cecil Huggins, instructor in the Industrial Electronics Technology department, said

graduates from the Barbary division of MacArthur are qualified to specialize in any aspect of hairstyling, according to instructor Sharon Kilecase. She sees that their students receive training in everything from crew cuts to styling and frosting. Shown above are Tim Foley (seated) and Ted Brunson, both of Elba. Ms. Kilecase said that five of her 21 students at this time are male.

Wilson Dyess of Elba (pictured above) is the Business Education instructor at MacArthur. The need for clerical workers in the United States is expected to rise to 21 million (a 40 percent increase) by 1985.

Jackie Hardy of Elba is in her 6th quarter (of 8 required), in the Drafting and Design Technology department. According to drafting instructor Charles Gibeau, August nationwide figures for draftsmen's average salary were over \$18,000 a year.

Wilson Dyess of Elba (pictured above) is the Business Education instructor at MacArthur. The need for clerical workers in the United States is expected to rise to 21 million (a 40 percent increase) by 1985.

## Pike Pioneer Museum Celebrates Tenth Year

The Pike Pioneer Museum, located on Highway 231, Troy, will celebrate its tenth anniversary on Oct. 3rd and 4th. The program for Saturday, Oct. 3rd will begin at 10:30 with a band concert by the bands of Pike County directed by Paschal Ward.

At 11 o'clock, Speaker of the Alabama House of Representatives Joe McCord will deliver an address entitled, "Preserving our pioneer heritage." This will be followed by a barbecue dinner.

In the afternoon the program will consist of Square Dancing, Blue Grass, and Fiddling. The Arts and Crafts Fair and Craft Demonstrations will continue throughout the day.

On Sunday, Oct. 4th, there will be an Antique Car Show. At 2 o'clock, Commissioner of Agriculture McMillan Lane will present Century Farm Awards to individuals whose farms have remained in the same family over 100 years. Sacred Harp, Class Choir, and Gospel Singing will follow

the awards. All programs are free to the public. Admission to the museum building is \$1.00 for adults and \$.50 for students.

**Poetry Contest**

A \$1,000 grand prize will be awarded in the upcoming poetry competition sponsored by World of Poetry, a quarterly newsletter for poets.

Poems of all styles and on any subject are eligible to compete for the grand prize or for 99 other cash or merchandise awards, totaling over \$10,000.

Says contest chairman, Joseph Mellon, "We are encouraging poetic talent of every kind, and expect our contest to produce exciting discoveries."

Rules and official entry forms are available from the World of Poetry, 2431 Stockton Blvd., Dept. D, Sacramento, Cal. 95817.

Can heart attacks be prevented by lowering cholesterol? That is the question posed by a team of University of Arkansas researchers conducting a study of the relationship between cholesterol and heart disease.

Nearly all heart disease results from atherosclerosis, or hardening of the arteries-the tubes which must continually supply blood containing life-giving oxygen and nourishment to the heart and other organs.

Atherosclerosis gradually thickens and narrows arteries until blood can no longer flow through them; the results of this narrowing is usually acute illness, the most prevalent of which is a heart attack.

Cholesterol, a fatty substance, is found in diseased arteries and may represent a clue to the cause of atherosclerosis. Also, the amount of cholesterol found in our blood can predict, somewhat, how likely we are to have heart attacks. Facts such as these have led many doctors to use various means to lower blood cholesterol in their patients. It is still uncertain, however, whether such

lowering can actually prevent heart attacks.

The University of Arkansas research team is now seeking individuals from 25 through 64 years of age who have had only one heart

attack in the past five years. Such individuals may obtain more information about the study by calling the University of Arkansas Hyperlipidemia Study's toll free number 1-800-643-8719.

**Researchers Need Volunteers**

Can heart attacks be prevented by lowering cholesterol? That is the question posed by a team of University of Arkansas researchers conducting a study of the relationship between cholesterol and heart disease.

## Band leader lists regulations of being Renegade

By DONNA FOLEY

We try our best to make our readers understand how seriously we take our jobs of reporting the news. We have not succeeded in all instances. Recently I was assigned to report the "Renegade" concert. I approached Coach Mike Lindsey for the information I needed to write the story. Here's what I got. The Renegades gave the concert to provide entertainment for the local area. (He didn't mention any money they might have made). He informed me that Randal Myers plays bass guitar, trumpet, and harmony. Richard Hilder is the lead vocal. Lisa Hilder sings harmony. Allen Waters plays lead guitar and harmony. Lloyd Harvin plays drums and Lindsey plays the keyboard. Coach Lindsey went even further and told us the purpose of each person's job and how to perform each job. The only thing the person on the keyboard has to do is lift his fingers and hit the

keys. A person who sings harmony has only to sing a note that someone else is not singing. The lead vocal has to sing louder than any of the others. The person who plays bass guitar plucks one string at a time. (This person must have a beard). The person who plays lead guitar plucks many strings at one time and hopes for the best.

The person on the drums doesn't have to know anything, period. Occasionally a trumpet is added for variety. And it really takes a special talent. He or she must have a special set of lips. He or she must also know how to lift the horn and blow hard. If no sound comes out then the hand director has to be contacted about how to get sound out of this horn.

The Renegades held their concert on the Zion Chapel football field on Saturday, September 12.

(The Rebel News staff awards Coach Lindsey an award for Most Teasing in one year.)

## FHA has first meeting

The Future Homemakers of America (FHA) Club kicked off the new year with an organizational meeting to form long range plans for the year. This group was composed of last year's officers

and will also serve as the nominating committee for the 1981-82 officers. The theme for this year is "Youth Energy-Potential Unlimited".

BETA CLUB CHECKUP--What's happening in Beta Club and why are all these people carrying boxes of candy around? For starters, the boxes of candy are being sold by the Beta Club members to raise money for the annual Christmas party for elementary children. Each year the club sells candy to raise money to buy presents to help Santa Claus. That's not all that's happening in the club. Eleven new members have been invited to join and initiation will take place in a few weeks. The new members are Sherri Chancellor, Mike Chirico, Beverly Ellison, Dedee Fuller, Sharon Mobley, David Pyrom, Robert Routzong, Ann Sawyer, Kim Smith, and Mark Storey. Not pictured is Lesia Flowers. --By TERRI ANTLONG

"A great empire, like a great cake, is most easily diminished at the edges." Ben Franklin

## Zion Chapel Rebel News

NEW PLAYGROUND EQUIPMENT--The Zion Chapel Elementary School received new playground equipment this year and may receive additional pieces in the future. The Coffee County Board of Education purchased the equipment, which was assembled by Mr. Stewart and the Z.C. agriscience department. The playground equipment includes swings, sliding boards and monkey bars. --By JEFF SENN

## Nutrition class learns by entertaining kids

By JUDY HELMS

The Home Economics II nutrition class spent the study of nutrition in a novel way this year. The class was divided into three groups and each group wrote a skit on nutrition to present to the kindergarten classes. Puppets were made and props collected for each skit. The first skit was a take-off of the three pigs. Lesia Newton was the big hungry wolf. Naye Dean Wheeler, Debra Carter, and Sheryl Flowers were the three pigs. Eddie Arnold served as narrator.

The second play presented was Belinda and the three bears. Donnie Hussey was Papa Bear, Angela Jackson was Mama Bear, Steve Barnhill was baby bear, and Brenda Rothwell was Belinda. Brenda Davis served as narrator.

The third skit was entitled "The Unhappy Alligator". Those taking part were Marie Flowers, Terri Shiver, Jody Carney, Melissa Cot-

## Band participates in AU band day

On an invitation from Auburn University, the Zion Chapel Marching Rebels traveled to Auburn University to participate in their band day. The band left on Saturday, September 19 in what seemed to be the wee hours of the morning to most of the band members. Upon arriving at Auburn, the band treated themselves to steak at one of the local steak houses. At 1 p.m., the band began to work up a

## In The News

### SOLAR SYSTEM STUDY

For the past two weeks, Mrs. Hodge's classes have been studying the solar system. The seventh, eighth and ninth grades have been making solar system mobiles out of coat hangers, string and paper. The students have suspended 3-D planets by string from coat hangers hanging from a wire suspended across the room. --By STEVE MCCARROLL

### SCHOOL OPENS

Mrs. Melinda Sanders, school guidance counselor for Zion Chapel High School, has faced some complications in arranging student schedules for the 1981-82 school year. Her main concern was to arrange classes so students would get their needed credits. This was not an easy job because of the number of students we have, the new courses being offered, and the small number of staff members. In elective classes such as home economics and agriculture, Mrs. Sanders was faced with the task of recruiting students to meet the minimum requirements. The scheduling problems have been solved and students have moved smoothly into the school year. --By TERRIE CARTER

### SENIOR CLASS MEETING

The need for locating a disc jockey for the Homecoming Dance was the major issue under discussion at the second meeting the Senior Class held this year. Several committees gave progress reports but no decisions were made. --By LISA TAYLOR

## Srs order class keys

By KIM DYESS

The seniors at Zion Chapel High School are beginning to tell more like real seniors everyday. Especially when they begin ordering such things as memory books and class keys. The memory books were ordered at the beginning of the year and the students have already received them. These books are designed so the seniors can capture and record memories of the final year as they go along.

Class keys have also been ordered. The choices ranged from a key kaddy, key chain, key bracelets, to keys on assorted chains.

The seniors will have a second chance to order again in February.

VICA ELECTS OFFICERS--Zion Chapel students who attend the Coffee County Area Vocational School in New Brooklyn have the opportunity to become members of the Vocational and Industrial Clubs of America (VICA). Several Z.C. students who are studying cosmetology and carpentry have joined the club. Recently VICA elected officers and three are from Zion Chapel. Don Simmons was elected parliamentarian; Gloria Edwards, treasurer; and Beth Henley (not pictured), historian. These students will assist in directing this year's VICA projects, which include a candy sale. --By JEFF SENN

Varsity Cheerleader Activities--Judy Helms, Donna Foley, Timine Jackson, Jackie Rodgers, Sherri Chancellor, and Alison Maddox are this year's varsity cheerleaders. They have been working hard on their stunts, splits, jumps, and routines to perfect them. The cheerleaders undertook several projects last summer to raise the money needed to purchase uniforms. One project was a successful softball tournament. They have continued to raise money by selling spirit badges for each ballgame. They also attended the United States Cheerleader Association clinic held on the University of Montevallo campus during the summer. --By ALISON MADDOX

529 CLAXTON AVE. -- ELBA

## Betty Tucker Weds Major Harry Crook

The First Baptist Church was the setting for the candlelight wedding ceremony uniting Major Harry W. Crook and Betty C. Tucker, September 4. Dr. Judson Vaughn performed the ceremony.

Mrs. Buck Donaldson, sister of the bride, served as matron of honor, and Mr. William R. Crook, father of the groom, served as best man.

The bride is the daughter of the late Mr. and Mrs. Charles Fitzhugh Calhoun of Elba. The groom is the son of Mr. and Mrs. William R. Crook of Elba.

Major Crook is stationed at Maxwell AFB in Montgomery and is currently attending the Air Command and Staff College. Mrs. Crook is the cosmetology instructor at the Coffee County Area Vocational Center in New Brockton.

The new Hardee's of Elba was the recipient of the Azalea Garden Club Yard of the Month Award for September and October. Pictured above are (left to right), Mr. Lloyd Crook, Mr. David Murray, assistant manager of Hardee's, Mrs. Pat Amie, Hardee's manager, Mrs. Nellie Martin, chairman of Yard of the Month Awards, and Azalea Garden Club member Mrs. Lloyd Crook.

## Scott Kidd Celebrates Tenth Birthday

Scott Kidd, who was ten years old on September 14, celebrated his birthday on September 21 at McDonald's in Enterprise. He is the son of Mr. and Mrs. Sam Grimes Jr. of Elba, and J.B. Kidd and the late Audrey Kidd of Elba.

Guests helping him celebrate were: Christy, Steven and Mandy; Kenneth, Jaime, Sonya and Jason Smith; Lori and Audi Fudge; Joe Brooks; Mandy Hamm; Chad Tindell; Chad Keith Henderson, Stephanie Chancellor; Kevin Barker; Kidd and Phil Bogan.

## SOCIALS

GRAND OPENING WINNER - Judy Marler, owner of Jeans and Things in Elba, presents a \$20 gift certificate to Cyndi Maddox during the recent grand opening of the store. Other winners in the drawing for certificates were Terri Fugit and Karen Davis, both of Elba.

## Pilot Club Holds Regular Meeting

The Pilot Club of Elba met Tuesday night, Sept. 22 at 7:00 at Holley's Restaurant for their regular monthly program meeting.

The meeting was called to order by the president, Nancy Crowe, and after the meal the club had a Share Pilot program where guests are invited to join the membership of the club.

Charlotte Lynn, one of the newest members, and Nancy Crowe, one of the oldest members, spoke on What Pilot Means to Me. Carol Fudge gave the history of Pilot International and the club history. Sybil Stivers, Jana Kelley, and Valerie McGuire told about some of the internal affairs, outreach, and projects the club has been doing and will be doing for the club year.

Susie Holderfield explained duties and responsibilities of a Pilot. Nancy Crowe closed the meeting with the Code of Ethics written by Pearl Sparks.

Members present were Carol Fudge, Nancy Crowe, Charlotte Lynn, Sybil Stivers, Susie Holderfield, Valerie McGuire and Jana Kelley. Guests were Marsha Oggs, Pam Crittenden, and Denise Roden.

## CITIZENS OF TOMORROW

Stephanie - 8, and Chad - 4, son and daughter of Steve and Charlotte Adkins, Elba.

October hostesses will be Mrs. Mary Carney and Mrs. Carrie's home.

A lot of nice things even happens to me. Friday nights are a thriller to all sports fans, at home or away.

Two of my favorite friends, Mr. and Mrs. John B. Wise, invited me to go with them to Laverne for the Crenshaw County Christian Academy and Greenville Warriors game.

Well, the trip had much meaning in more ways than one. It was a joy to be with the Wise's, plus my special friend, Jane Morrow.

The cautious Mrs. Wise was the chauffeur, and we breezed over the miles and soon were at the spacious and stately home of the Mack Wise's. It is most modern in its beautiful setting and artistic landscape.

The game proved to be a thriller since it was the first time in the history of the two schools that the academy had defeated the Warriors.

Mayor Emory Folmar made the presentations of

## AROUND THE TOWN

By NELLIE MARTIN

\*\*\*For two sisters to receive their Master's degrees on the same day and in the same educational field is noteworthy. Too, they are graduates of Elba High and Troy University.

Yes, these two school-minded young ladies are Mrs. Gloria Thomas Jeffcoat and Mrs. Nancy Thomas Fields. They are the daughters of Mr. and Mrs. James Thomas of North Clanton Street in Elba.

Mr. and Mrs. Jeffcoat, Amy-9, Cliff-6, and Vickie-8 months, live at Gordon, Alabama, where Mr. Jeffcoat is owner and operator of a progressive farm. He excels in production and is most successful and prosperous in his community. Too, he and the family participate in all community activities.

Gloria is a popular member of the faculty at the University of Alabama. Excellent is not high enough for their performance. They were superior! It wasn't the theme. To renew close and informal relationships with these former friends and to see my first-grader, Art, perform - added joy to my storehouse! Tidbits, Mr. and Mrs. Wise, for a lovely evening's entertainment.

\*\*\*Mr. and Mrs. Roy McCannell, Steven and David of Woodland Grove Community, enjoyed a most pleasant visit from some special friends. They were Captain and Mrs. Richard Wilbanks, Robbie and Rick of Saudi Arabia. This family is making their home at an American air base while Captain Wilbanks is on a special assignment.

\*\*\*Mrs. H.L. Stephenson of Rt. 4, enjoys a visit to and also from her daughter's family. The grand - and great-grand - come first in a lot of ways. There's Captain and Mrs. Gregory Walls, Alvin and Elliot, of Key West, Florida; Melinda Walls of Auburn University, and Starlin Walls of Atlanta Starlin is manager of Atlanta Optical Inc.

So that leaves Cynthia at home with her parents, Mr. and Mrs. Max Walls. Cynthia is a popular member of many Enterprise High School activities.

\*\*\*Gladys had everything all ready for the September meeting of the Three-In-One Study Club, when they welcomed special guests, Mr. and Mrs. Scott Hain. Mr. Hain shared enthusiastically 50 years of pharmaceutical practice in Elba and vicinity. He didn't forget the most used medicines such as asafetida, castor oil, liniment, various patent medicines, plasters of tar, camphor and mustard. Too, plain pale-yellow sulphur was widely used for skin irritation called "itch."

So that leaves Cynthia at home with her parents, Mr. and Mrs. Max Walls. Cynthia is a popular member of many Enterprise High School activities.

Crenshaw Christian's entire team showed special abilities, and even though Art is not large in stature, his agility makes up for it, in his quick and easy movements. Too, his throwing ability is exceptionally well-developed, whether on long or short passes. Look out Alabama - Art may equal or break many of his dad's historical records for the "Bear," too!

Art's coach is the efficient Charles Clark, born and reared at Snellgrove's Mill on Pea River. He was an elementary student at Eanon and a graduate of New Brockton High School. Congratulations to him and his organizations had concession stands, and home-cooked foods were available and most tasty.

Yes, we went, we walked miles and miles, we ate, we listened to some of the entertainment, we saw many things of beauty and art - and we left Oak Park with our cherished treasures Lloyd could tote.

So, next year, if you want to spend a beautiful Fall day in a park - by all means go to Oak Park in Montgomery, where you'll rub shoulders with others like you who are looking for the proper atmosphere to rejoice in the beauty of a day in God's world.

\*\*\*Mr. and Mrs. Shane Bullard of Pensacola enjoyed the weekend with Elba special friends. They were Mrs. Amorette Bullard, and Mr. and Mrs. Hugh Davis.

\*\*\*The Kevin Laniers enjoyed a weekend visit from his brother and wife, Mr. and Mrs. Mark Lanier of Eclectic, Alabama.

\*\*\*A favorite lady to so many of us, Mrs. Milton O'Neal (Tosie) Byrd of Andalusia, still enjoys coming back home. Home in Elba to Tosie is the big and stately Judge Samuel N. Rowe home across from City Hall.

Tosie doesn't need much coaxing to make her weekly visit to one of Elba's favorite ladies, Miss Zedie Lowe. Being most cheerful and thorough, Miss Zedie did kindly promise to take Tosie out for a fresh catfish lunch with all the luscious trimmings, when in Elba. And that's what happens at the Big R most every Friday.

However, there are two other favorites of mine in Montgomery. Misses Elizabeth Rowe and Odell Carmichael, who have somehow learned of this weekly event. They liked the idea, too, and many times this lovely quartet can be seen eating, socializing and enjoying being together in Elba.

Miss Zedie isn't the kind of person to keep everything to herself - she is constantly giving out love to her family, friends and her community. To her - service is the greatest use of life when you can spend it for something that is worthwhile.

\*\*\*Yep, I fully understand that Ricky is sports editor of the Elba Clipper. (I happen to know he was a sport at six). Nevertheless, I'm obliged to push for his say. Every descriptive adjective and adverb could be heaped upon Coach Wood and his efficient staff, his every participating player. Each one showed confidence, self-possession, self-assurance, ability, superiority and a desire to win. But, yet, their "win" that was so outstanding - it was the "wind" that counted.

Mr. Wood, a good coach is one who can make decisions quickly - and correctly - as you did last Friday night. You proved a goal isn't worth much if you must lower it to reach it. May yours ever be a title-holding team!

\*\*\*Lloyd, Cupidean, Mae and I were brave enough to motor to Montgomery last Saturday for the Festival in the Park. This featured day was outstanding in many ways. It was sponsored by the City of Montgomery Parks and Recreation Department and also the Festival in the Park Association - and it was noteworthy.

There were over 300 exhibits from six states; if you were interested in any kind of art or craft - it was there.

Too, live performances in the Front Stage opened at 9 a.m. and continued until 4:30. There were gospel singers, bluegrass singers, Montgomery Little Theatre performance, puppets, the Montgomery Civic Ballet, Rock band and much, much more.

Mayor Emory Folmar made the presentations of

awards. In the band shell, the St. Andrews Pipes and Drums opened with a lively show, and performances continued throughout the day with the MaxwellFairs, and the University band closing out at 4 p.m.

The well-manicured flower beds were most attractive and pretty. There were many blooming fall plants adding color, and the high oaks, poplars, sweetgum, bay, maple and pines enhanced the area. Eleven organizations had concession stands, and home-cooked foods were available and most tasty.

Montgomery by her special schoolmate friend, Mrs. Allene Ziglar. While here she will visit with her sister, Mrs. Elsie Jacobs; these ladies plan to attend Arwood School Day at the Farm Center in New Brockton on Saturday, October 3.

Mrs. O'Flynn is planning to remain in this area until her family reunion at Thanksgiving. She will be joined by her son, Patrick, who will accompany her back to Brooklyn.

He heareth thee - we have only to make a passionate utterance in faith - believing - and He is only a prayer away. Matt. 7:7-8.

Life is full of beginnings. They occur every day and every hour to every person. Most beginnings are small and often use it as a standard. And in reality they are the most important things in life.

Life is a temporary home, in which there's always movement. And the largest room in each one's "home" is the room for self-improvement.

A lot of local football fans were ready to write the Elba football team's obituary last week, thinking after two straight losses, the Tigers were dead. Well, reports of their death have been greatly exaggerated. The Tigers came to life last week against a good Dale County team and completely took charge in posting a big homecoming win. It looked like the Tigers of old in the first quarter when we got the ball and drove 88 yards, all coming on the ground, to take the lead for good; and the defense finally bowed up and earned the respect of their opponents. I don't care what anybody says — it was a good win and we finally showed improvement.

On offense, the line took control of the trenches and blew Dale County off the ball, allowing our backs to run like they are capable of doing. In recent games our line has been getting better, and despite their lack of size, have been opening holes. A lot of time the running backs get all the playing well and doing their job. All our backs do a good job of running, especially Ted Horstead, who ramblined for 125 yards. Ted is a major force in the offense and his running really picked up the entire squad — something we needed. I felt that our offense was beginning to come around in the Opg game, and it continued to improve last week. If they will keep it up, we're still got a shot at a bunch of wins!

The defense got manhandled in the two losses and lost its confidence, but Friday night it began to get after folks and made things happen, instead of waiting for things to happen. A good defense must be aggressive on every play, and though we're still not there, we are headed in the right direction. You can't ever tell — these next five games might be fun to watch!

In Area ballgames, the rich got richer and the poor got poorer as there were few, if any, upsets worth mentioning. Here are a few results you might be interested in:

\*\*\*Troy had to score a whole bunch of points to ease past 2A Slocomb 37-28. The "rojans" ran back two touchdowns and had to rally from a 20-10 halftime deficit to beat the 1-3 Red Tops.

\*\*\*Coach Leon Atkins' Brundidge Bulldogs took it on the chin in a 43-6 whipping from Eufaula. Hey, I hate to say it, but Eufaula might just be the team to beat in Class 3A.

\*\*\*Jeff Davis had to stop a pair of scoring drives inside their 5-yard line before pulling away to dump 2A power J.F. Shields 21-0. The Bulldogs are on their way back!

\*\*\*Opp turned Ashland every which way but loose in rolling to a lopsided win. The Bobcats may just be the top team in Area 3.

\*\*\*Daleville played Geneva in what was supposed to be a game to know the doors were locked. The backing kept up and Kathy knocked out. When we heard Elmo bark again, we knew he was outside, and we found our great hunter running on the roof chasing a squirrel! I've seen hunting dogs, but never one that has chased his prey on the roof. Ain't no doubt about it — Elmo is one heckuva dog!

My senior class held a 10-year reunion last weekend, and while I really enjoyed talking with all my classmates, it was a reunion I won't forget. Friday night I walked up to two of my best friends while we were in high school, and neither of them knew me! I don't mean they forgot my name — they didn't have an idea who I was. Well, I have lost some weight, so I beat the 1-3 Red Tops.

Oh well, it was great seeing everybody again, and I'm looking forward to our next get-together in 1991.

I don't know how many of you know it, but Kathy and I have a great hunting dog named "Elmo." He really isn't a hunter; in fact he's a spoiled rotten two-year-old cockapoo. We've been working on training him, and I decided to sleep in, and about 10 a.m. we heard Elmo barking. We live on the second floor of a house, so I figured I was dreaming, because I woke up and asked where the dog was. I had no idea, so we got up and found a den window open with the screen knocked out. When we heard Elmo bark again, we knew he was outside, and we found our great hunter running on the roof chasing a squirrel! I've seen hunting dogs, but never one that has chased his prey on the roof. Ain't no doubt about it — Elmo is one heckuva dog!

**CONGRATULATIONS TO BOTH THE COACHES AND PLAYERS.** Y'all strong! Greenville 17 - Elba 13.

**ZION CHAPEL VS. ARKON**  
Zion Chapel put together a win early in the season, but the puzzle then fell apart and they can't seem to put it back together. Arkon may just lose a couple of pieces and all but wipe it off the map!

**ARKON 27 - Zion Chapel 0**

**KINSTON VS. SAMSON**  
This just might be the best game of the week! The Bulldogs are back at full speed after a week's rest, and remember last year's humiliating defeat to the Tigers. Revenge will be sweet!

**Kinston 20 - Samson 19**

**NEW BROCKTON VS. LONG**  
The Gamecocks' offense has only scored three points in the last four games, and that can be fatal to any team! Long isn't as good as everybody thinks, and I smell an upset; so I'll go with Brockton in a squeaker.

**New Brockton 10 - Long 8**

### Elba Journeys To Greenville To Battle Unbeaten Tigers

The Elba Tigers will take their football journey to Greenville Friday night when they journey to Butler County to battle the undefeated Greenville Tigers, the second-ranked team in the state in the Class 3A ranks.

Greenville boasts a perfect 5-0 record, with wins over Georgiana, T.R. Miller, Southside, Laverne and Monroe County.

"Greenville has got a mighty good team," said Elba Coach Mack Wood in a Tuesday morning conversation. "They are big, fast and loaded with experience. We've scouted them, and we've seen a couple of films, and it looks like they can do it all on offense and flat out hit ya on defense. They're real big, both in the line and in the backfield, and their running backs are bigger than our backs. We have to keep them honest, but we have to control the ball. On defense, we just have to contain them. They've had big plays every game for touchdowns, and we can't let them have any. We need to make them work for everything they get."

"On offense," said Wood, "they run a variety of things. They run out of the I and the Power I and run power plays, leads, traps and a couple of different options. They like to throw deep and their quarterbacks can throw it a mile. Greenville runs much more variety than they did last year. Over on defense they use a 4-4 and totally pursue. They are big in the line, real quick at linebacker and stunt constantly. A big part of their success on defense is due to their great pursuit. They just flat get after you."

"Greenville is basically the same team as a year ago, personnel wise," added Wood, "but they have a year's experience and are a much improved team in all phases of the game. To win, we will have to be able to control the ball, which will be difficult. We'll have to do a good job of blocking and just play super. We have to pass to keep them honest, but we have to control the ball. On defense, we just have to contain them. They've had big plays every game for touchdowns, and we can't let them have any. We need to make them work for everything they get."

When asked about last week's 27-3 win over Dale County, Coach Wood answered, "It was by far the best game we've played, both on offense and defense. Our line came off the ball the best it has and blocked real well. All our backs ran hard and it was a total effort on offense. On defense we were more aggressive and finally got after somebody. We had our best week of practice all season, the boys paid attention and concentrated on learning their assignments. We played well and had pride in what we were doing."

### Tigers Sweep Pair From Golden Rams

### 58 Compete At Elba Speedway Races

The Elba Tiger Pee-Wees remained undefeated by posting an exciting 6-0 win over the Golden Rams in overtime. Ronnie Crawley ran in for the touchdown. The extra point was no good and that left the score 6-0. The Tiger defense intercepted a pass which preserved the victory for the Tigers.

The Tiger defense was led by:

- James Bryant - 6 tackles
- Greg Hanchey - 4 tackles
- Stan Sauls and Scott Lawless - 3 tackles each.

**ELBA RAIDERS 12 - golden rams - 0**

The Elba Raiders Termites posted their 1st victory of the season with a 12-0 win over the Opp Golden Rams. The Raider offense was led by Audie Fudge and Scott Hooks as each scored a touchdown to notch the Raider victory. The defense was led by:

- Stevie Sauls, with 4 tackles, 1 assist;
- Troy Hudson, with 3 tackles;
- Steven Bozeman - 2 tackles;
- Chuck Daugherty - 2 tackles.

Also helping the defense was Buck Simmons who intercepted a pass to set up the first touchdown.

**ELBA TIGER CUBS 64 KINSTON BULLDOGS 13**

[Midlets - First, Second and Third graders]

The Tiger Cubs started off their season with a big bang! The high-powered Tiger Cub offense scored a total of 64 points, while the stingy defense limited the Kinston Bulldogs to only 13 points.

Leaders on offense were:

- Bennie Daniels, Jessie Cook, Ronald McKinnon.

Leaders on defense were:

- Jason Burch, Mark Matthews, Jim Goodson, Ronald McKinnon, Bennie Daniels.

Horstead, an All-American high school running back at Elba High, will start at halfback in the Tide wish-bone.

Don was expected to see varsity action this season, but has been slowed by a nagging muscle pull, and coaches reported he would gain much needed game experience by playing this week in the JV contest. He is expected to see varsity action next week with the Tide.

The Doughboys are an Army team consisting of former collegiate stars now in the service, and annually field a strong team, comparable to any small college.

### McIntosh Fined - Placed On Probation

McIntosh High School has been placed on probation for one year, fined \$250 and instructed to forfeit its football game against Grand Bay, the Alabama High School Athletic Association has announced. McIntosh was found guilty of using an ineligible player in its August 31 opening game which ended in a scoreless tie.

The probationary period is a warning that should any other rules violations occur, it would jeopardize the school's membership in the AHSAA, according to Executive Director Herman L. "Bubba" Scott.

### Before you buy that Homeowner policy with the "New Home Discount,"

talk to your Cotton States agent, and compare his Homeowner plan to the one you're considering.

Whether your home is brand new or several years old, your Cotton States agent is committed to providing the most complete and the most affordable Homeowner protection for you.

And he might have the answer to some questions that could make a big difference in your premium rate. For example:

- Yes, we do give discounts for safety installations like burglar and fire alarms.
- We offer liberal credits for higher deductibles. Your credit is figured on a straight percentage, without a maximum amount of discount.
- With a Cotton States policy *everyone* — not just owners of new homes — has the advantages of our low, competitive rates.
- Cotton States does not automatically raise your rates to "guard against inflation." We offer you the opportunity to decide when and how much you want to increase your insurance coverage.

Don't settle for the policy that *sounds* the least expensive. You deserve more than that for your money.

You deserve **answers.**

A homecoming parade is fun for all, as these pep club members show.

This award-winning float was entered by the junior class, and they found a way to put the Warriors on the run.

The Junior Academy of Science won an award for this float, entitled "Dissect the Warriors."

A horse and buggy is a favorite for those of all ages, as shown by these youngsters.

# HOME

Elba cheerleaders are filled with excitement as the Tigers march toward another touchdown in last week's homecoming win.

## Tigers Scalp Warriors 27-3

The Elba Tigers gave an overflow homecoming crowd plenty to cheer about last Friday night when they posted an impressive 27-3 win over the Dale County Warriors.

The win upped Elba's record to 3-2, while the loss left Dale County with a 1-3 slate. Dale County won the toss and elected to receive, and gave the crowd a scare when Bryant Walding broke loose for a 21-yard gain on first down. However, the Tiger defense toughened, and forced a Warrior punt. Elba put the ball in play on their 12-yard line, but wasted no time in marching 88 yards to paydirt on 11 plays, all on the ground. Mark Henderson and Ted Horstead both rambled for 42 yards during the drive, with Henderson notching the score on a 1-yard plunge. Dwayne Hooks added the extra point to put Elba on top 7-0 with 4:33 left in the first quarter.

The Warriors couldn't move on their second possession and had to punt, but got a break when the Tigers fumbled the kick on the Elba 33 yard line. This time Dale County moved to the 28, only to be stopped again, and on fourth down Jeff Hatto came in and boomed a 45-yard field goal to put the Warriors on the board, trailing 7-3 with 1:52 still left in the opening stanza.

Elba's offense put the ball in play on their 32-yard line following the ensuing kick and again stayed on the ground as they drove 68 yards in 8 plays to up their lead to 14-3. Ted Horstead ran for 29 yards and Michael Scott added 27 yards in only

two carries in the march, while Mark Henderson dove over from the 1-yard line for his second touchdown of the game. Hooks again added the p.a.t. and Elba was back in charge with a 14-3 bulge with 9:23 left in the half.

The Tigers put together another long drive late in the half and moved to a first down on the Dale County 18-yard line, but a penalty stalled the drive and a 34-yard field goal attempt by Dwayne Hooks sailed wide, ending the threat and leaving Elba with a 14-3 lead at halftime.

Elba fumbled on the first play of the second half giving Dale County a scoring opportunity on the 44-yard line and then got a 15-yard penalty, putting the Warriors on the 27 with a first down. Terry Spicer and John Meachum combined to sack Dale County quarterback Marvin Clement for a big 8-yard loss on third down and three, and a fourth down pass fell incomplete, ending the threat. Elba put together a drive that crossed midfield and then backed up the Warriors on a 45-yard punt by Paul Cox that was downed on the 5-yard line. Dale County punched it out to the 12, but Steve Whitehurst hit the Warrior quarterback for an 8-yard loss on third down, forcing a punt. The Tigers put the ball in play on the Dale County 35-yard line, and two plays later fullback Ted Horstead burst up the middle for 23 yards and a score! Dwayne Hooks added the extra point to up Elba's lead to 21-3 with 1:37 left in the third stanza.

Dale County came out passing on its next series, and only an interference

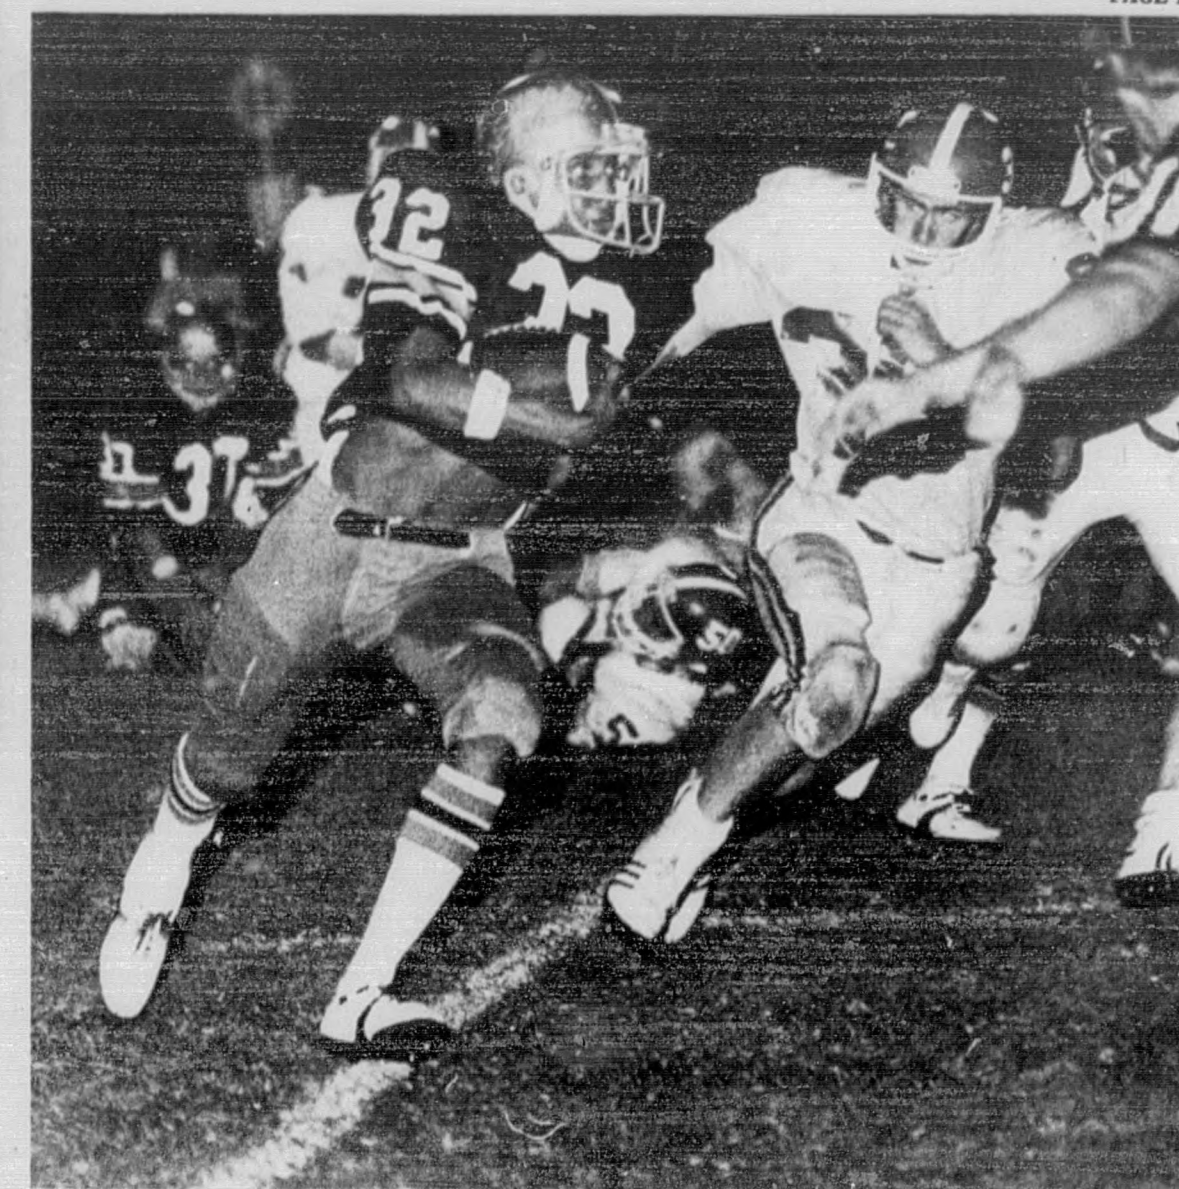

penalty saved the Warriors' scalp as Mike Smith picked off a pass and raced 28 yards for a touchdown. The 15-yard penalty moved the ball out to the 30 and a 20-yard completion put the ball at midfield. Dale County was now passing on every down, but Steve Whitehurst broke thru and blasted the Warrior quarterback, causing a fumble that was recovered by teammate Hal Brunson on the 39-yard line. A 10-yard pass from Mike Amison to Andy Hardwick kept the Elba offense alive, and Ted Horstead climaxed the drive with a 2-yard touchdown dive. The extra point was blocked, but it made little difference

as Elba was on top to stay, leading 27-3 with 8:00 left in the game! Elba's Ken Owens recovered a fumble to stop a Dale County drive midway thru the final stanza, and Andy Hardwick intercepted a Warrior pass in the closing minute of play as the Tigers refused to loosen up and held on for the win.

Ted Horstead gained 125 yards in 18 carries to lead the Elba ground attack, while Mark Henderson added 90 yards on 13 carries. Michael Scott added 60 yards on 8 carries and Mike Amison notched 55 yards on 11 carries.

A Dale County running back finds tough going against Elba defenders Hal Brunson (54), Ken Owens (72) and Andy Hardwick (31).

Elba sophomore tailback Mark Henderson (32) heads around the corner for a big gain. Henderson scored twice in Elba's 27-3 win over Dale County.

Elba running back Michael Scott (25) heads up the sidelines for a good gain in the Tigers 27-3 win.

## Dozier Skins Gamecocks 22-0

STORY & PICTURES BY  
GREG BRUNSON

The New Brockton Gamecocks returned home this past Friday night after two straight weeks on the road, only to have the Dozier Tigers claim a big victory by the score of 22-0. The loss dropped the Gamecocks' record to 2-3 while the Dozier win raised their record to 4-1 with their only loss coming at the hands of 2A power Laverne.

The game opened on what appeared to be a defensive struggle, as Dozier was forced to punt on their first two possessions, and New Brockton had one punt and a fumbled pitchoff recovered by Robert Coleman for Dozier. Thirty-five yards in penalties on this possession forced another Tiger punt, but the snap sailed over the head of punter June Burdette who was sacked for a 21-yard loss.

Bobby Smith attempted a 40-yard field goal on fourth down which was no good, giving the ball to Dozier on their own 20. Four plays later, Alvin Daniels scrambled 16 yards into the endzone for the game's first points. Eddie Brundidge kicked the p.a.t., making the score 7-0, with 10:17 remaining in the first half.

The Gamecocks then put together a 14-play drive from their own 35-yard line down to the Tiger 13-yard line where a Bobby Smith field goal attempt sailed just wide to the left.

After putting the ball in play from their own 20-yard line, the Tigers delivered a crushing blow to the Gamecocks. On the sixth

play of this drive, facing a third and 9 situation on his own 38-yard line, Alvin Daniels fired a pass downfield to his wide receiver who had gotten behind the New Brockton defense. The play covered 62 yards and happened with only 0:13 to play in the first half. Eddie Brundidge lined up to kick the p.a.t. but took a direct snap and ran for the two-point conversion which made the half-time score, Dozier 15, New Brockton - 0.

New Brockton took the second half kickoff and was again unable to move the ball, and the next three possessions ended in punts after only three downs. This exchange gave the Tigers the ball on their own 35-yard line. After only five plays, Eddie Brundidge raced in from 6 yards out on an

off-tackle play. Brundidge kicked the p.a.t. to complete the game's scoring at 22-0 with 2:53 to play in the third quarter.

Nate Everett intercepted an Anthony Maddox pass on the next play on the New Brockton 38-yard line. Four plays later, Greg Hagan fell on a Mike Dean fumble to stop the drive. The Gamecocks turned the ball back over on another interception and 35-yard return.

The Tigers drove the ball to a third-and-one situation on the 18-yard line where the Gamecocks showed a lot of pride as they held Dozier on two straight running plays. Five plays later, Tony Pittman intercepted the third errant pass of the evening for Dozier, and the clock ran out with the Dozier Tigers leading 22-0.

Doz.	First Downs	N.B.
8	5	7
154	Rushing Yds.	53
126	Passing Yds.	25
280	Total Yds.	78
8/3/0	Passes/Comp./Int.	7/2/3

7	Return Yds.	12
3/26.7	Punts/Avg.	3/31.7
112	Penalty Yds.	15

The leading rusher in the game was Dozier's quarterback, Alvin Daniels, who gained 106 yards on 11 carries. June Burrows got rushed for 44 yards on 11 totes. Kelly Tindol led New Brockton with 35 yards on 11 carries. June Burrows got only 29 yards on 10 tries, far below his usual average.

Another tough test this Friday night as they face the George W. Long Rebels of Skipperville in a homecoming matchup.

Brockton has a scrappy ball team, and I would like to suggest that everyone get out and support your team. Get caught up in "Gamecock Pride."

Gamecock quarterback Anthony Maddox (12) fires a pass downfield in Brockton's 22-0 loss to Dozier.

Gamecock quarterback Anthony Maddox (12) fires a pass downfield in Brockton's 22-0 loss to Dozier.

Brockton's Coach Leavy Boutwell talks over offensive plays with sophomore quarterback Anthony Maddox (12).

Brockton's Joseph Burrows (30) looks for running room against Dozier.

## Homecoming At New Brockton

Queen Lori Blackmon

The seventh annual New Brockton High School homecoming will be celebrated Oct. 2. A parade is being planned which will begin at the high school campus at 1:45, and proceed through town, returning to the high school campus. Classes, school and community clubs and organizations will be involved. All former entrants are invited to participate. If you would like to enter a vehicle or other non-motorized entry, please contact Mrs. Anne Cassaday or Mr. Paul Youngblood at 894-2350 to receive your entry form.

The 1981 Homecoming Queen, Miss Lori Blackmon, and her court, consisting of Rena Sanders, Dori Blackmon, Sharon Martin, and Sheila Andrews, will reign over this year's activities. They will be escorted by their fathers or guardians.

The classes of 1941, 1951, 1961 and 1971 will be honored at the 1981 homecoming activities and these classes are cordially invited to attend. The climax of our homecoming activities will

New Brockton Homecoming Court.

(Bottom row, L-R) - Rena Sanders - senior, and Sheila Andrews - freshman. Coronation will be held Friday, October 2, at 9:30 a.m.

be the meeting of the New Brockton Gamecocks and the Skipperville Rebels Friday night at 7:30 p.m. A dance for New Brockton High

School students and their dates will be held in the school auditorium following the homecoming game.

### SOFTBALL TOURNAMENT

A youth softball tournament was held recently at the Damascus ballfield, with Mt. Olive claiming the championship. The 4-team event was played on Saturday, August 29, and results of the games were as follows: Shiloh 6 - New Home 4; Mt. Olive 3 - Damascus 2; New Home 10 - Shiloh 2; New Home 11 - Shiloh 3; and Mt. Olive 5 - New Home 2.

Members of the winning team were Greg Jackson, Warren Galtimore, Chris Bryant, Bill Marler, Rex Messick, Chris Danley, Steve Smith, Stacey Galtimore, Andy Carney, Marvin Jackson, Carla Bryant, Dennis Dorsey and David Kiercase. The coach was Mandy Marler.

## Luverne Trips Brantley 21-7

The Brantley Bulldogs got off to a shaky start and didn't recover until it was too late as they lost to the arch-rival Luverne Tigers 21-7, last Friday night in Luverne.

The loss dropped Brantley's record to 3-2, while the win upped Luverne's slate to 4-1.

Brantley received the opening kick and moved quickly to the Bulldog 30-yard line, but fumbled and Luverne recovered back on the 22. A Brantley penalty got Luverne to the 17-yard line and the Tigers then cashed in on the breaks when Dickie Sims raced in on a 17-yard gallop. Glenn Maloy added the extra point to give Luverne a 7-0 lead with 9:41 left in the opening stanza.

The Bulldogs put the ball in play on the 22-yard line following the ensuing kick, only to fumble the ball on the first play from scrimmage with Luverne recovering on the 30. A 28-yard toss from Maloy to Eddie Stroud got the Tigers down to the 2-yard line, but Luverne returned the favor and fumbled the ball right back one play later!

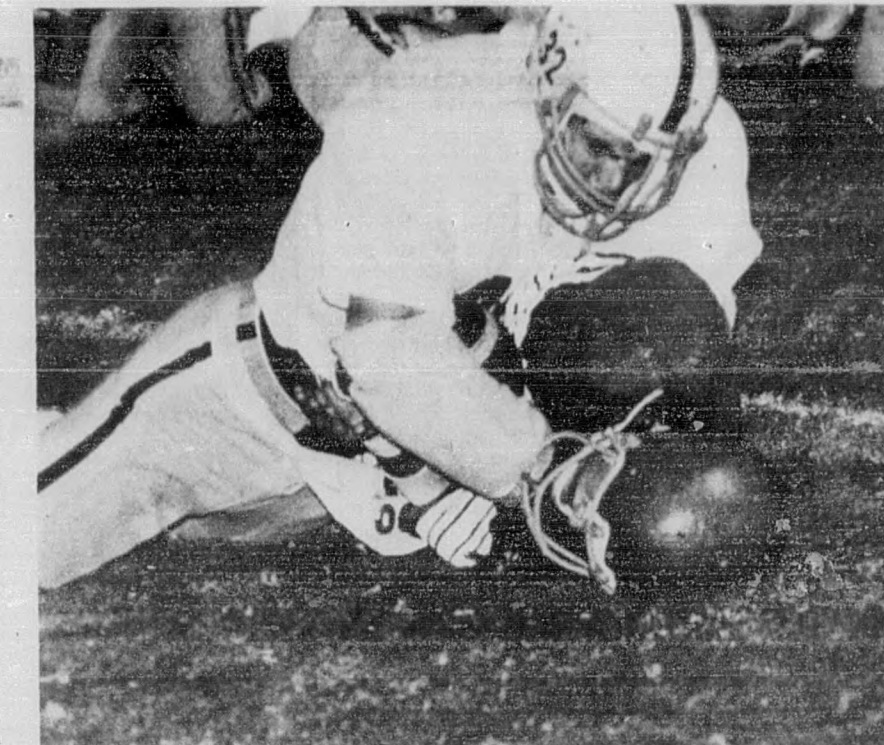

The two rivals took turns punting for the remainder of the period, with Luverne opening the second stanza with the ball at midfield.

Scott Sport gained 8 yards on two carries, and following a Bulldog penalty, Eddie Jackson raced 24 yards down to the 20-yard line. Edward Green got the call on the next

play and broke loose on a 20-yard rambler to score a touchdown. Maloy's p.a.t. was again true, and with 9:56 left in the half, Luverne's lead was up to 14-0.

The clubs swapped punts on their next series, but Brantley again played "give-away," as Luverne intercepted a Bulldog aerial on the Brantley 31-yard line. The Tigers moved quickly to the 5-yard line on a Maloy-to-Sport pass, but again returned the favor on an interception in the endzone. The Bulldogs punted out of trouble in the closing minute of the half, or so it seemed, until Maloy tossed a screen pass to Edward Green, and the 135-pound speedster scrambled all the way for a touchdown. The p.a.t. by Maloy was perfect, giving Luverne a commanding 21-0 lead with only 2:11 left in the half.

Luverne received the second half kick and gave Brantley a chance to get in the game when it fumbled on its second play. Quarterback Tony Chandler misfired on 3 straight passes, but refused to give up and on fourth down completed a 12-yard strike to Dwight Pitts. A 15-yard toss to John Salter got the ball down to the 2, and two plays later Ricky Hall bulled over for the score. Jimmy Tidale kicked

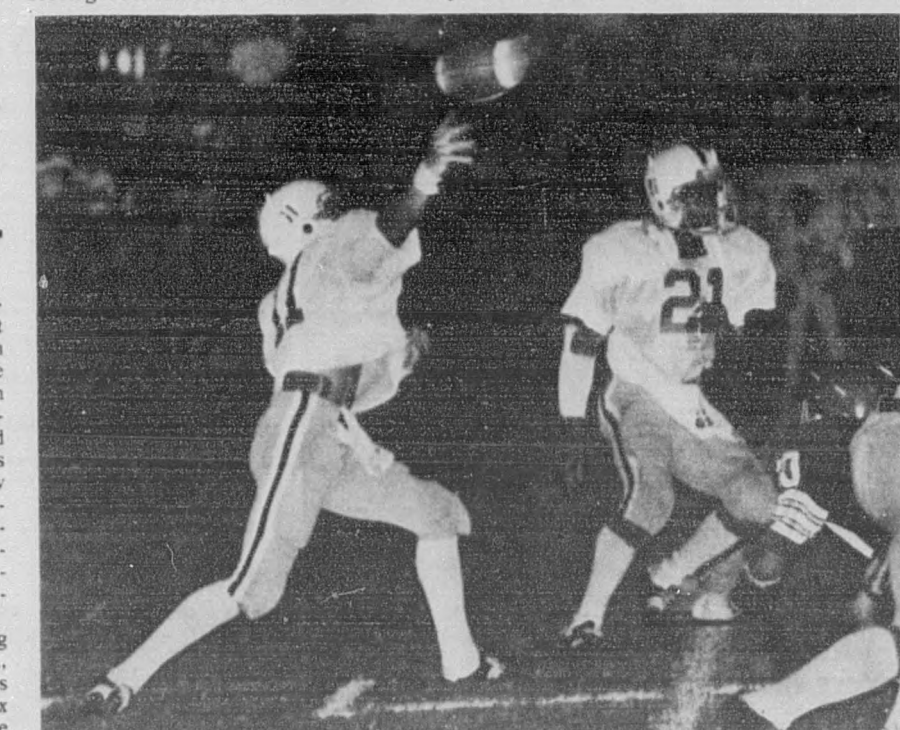

Brantley linebacker Ricky Hall (32) tries to plant a Luverne runner in the turf after making a jarring tackle.

the extra point, and with 8:37 left in the quarter Brantley was back in it, trailing only 21-7.

The county rivals swapped punts on their next series, but Brantley got a big break when Luverne fumbled

near the goal-line. A short Luverne punt midway through the final stanza gave Brantley's offense good field position on the Tiger 23-yard line, but a pass interception quickly ended all comeback hopes, and Luverne ran off almost 5 minutes of the clock on a short drive. Brantley got the ball back with 1:52 left in the game, only to again be intercepted, and Luverne counted down the seconds for a 21-7 win.

Brantley quarterback Tony Chandler (11) fires one deep as the Bulldogs attempt to catch 2A rival Luverne.

## ELBA JR. HIGH DUMPS OPP

Elba's Willie Harris (31) rambles for a long run in the Junior High's 20-14 win over Opp.

By GREG BRUNSON

The Elba Tiger Junior Team made their season debut this past Thursday night at Tiger Stadium against the Junior Bobcats from Opp. The local team, led by rookie coaches Dennis Smith and Mike Carney, recorded a very impressive victory by a score of 20-14.

The team from Opp took the opening kickoff and ran three plays before being forced to punt. Elba put the ball in play at their own 37-yard line and drove to the Opp 33 before Willie Mullins fell on a Willie Harris fumble for the turnover. It took the Bobcats only five plays to tally the first points of the night as Willie Mullins raced in from 21 yards out. The try for two failed as the Opp runner was stopped by Jerrey Wise and a host of Elba tacklers, and with 1:58 remaining in the first quarter, Opp led 6-0.

The Tigers took the ensuing kickoff and drove 80 yards in 13 plays for their first points of the season. The touchdown came on a 26-yard run by Willie Harris following a beautiful pitch-out from John Hudson. Harris also added the two-point conversion with a sweep to the right side making the score Elba 8-Opp 6, with 5:31 to play in the second quarter.

The Bobcats had two more possessions in the half and both were stopped by big plays. The first drive stalled on the eleven as Victor "Duke" McKenzie

broke through to stop an Opp runner on fourth and one. The next time they had the ball, Opp was stopped as Chris Moore picked off a Jo Jo Higgins pass as the half ended.

As the second half began, Elba kept the ball only three plays before being forced to punt. Opp fumbled on their second play from scrimmage and Art Brunson dove on the ball for Elba at the 34-yard line. The Tigers took 8 plays to get into the endzone with Victor McKenzie going the last 3 yards on a power play. Harris was held short on the try for two making the score Elba 14-Opp 6 with 3:17 to go in the third quarter.

Terry Ware set the Elba team up with another fumble recovery, this time on the

22-yard line, and four plays later, John Hudson went four yards on a quarterback sneak to finish the Elba scoring for the evening with 1:34 remaining in the third quarter. Elba now led 20-6.

Elba stopped the Opp team again as Tommy Hold fell on yet another Bobcat fumble. The Tigers couldn't move the ball this time and were forced to punt. Opp put the ball in play on the Elba 48-yard line and scored on their fourth play of this possession. Jo Jo Higgins fired a 33-yard touchdown pass to Morgan Boyd then passed to him again for the two points rounding out the scoring at 20-14 with only 0:19 remaining in the ballgame.

Elba		Opp
10	First Downs	7
184	Rushing Yards	112
23	Passing Yards	43
207	Total Yards	155
2/2	Fumble/Lost	4/3
55	Penalty Yds.	0
3/32.0	Punts/Avg.	3/26.7
6/1/0	Passes/Comp./Int.	8/2/1

The game's leading rusher was Opp's Willie Mullins with 91 yds. Elba was led by Victor "Duke" McKenzie, who gained 71 yards on 17 carries. John Hudson carried 9 times for a total of 69 yards and Willie Harris picked up 60 yards on 11 tries.

These boys, along with Coach Smith and Coach Carney, should be loudly supported by Elba football fans. After only two weeks of practice, our young men took on an experienced Opp team and came away with a big win. Congratulations!!

An Opp runner is buried by a host of players from Elba's junior high Tigers in last week's season opening win.

Victor "Duke" McKenzie fights for yardage as the Junior Tigers march toward another score.

## Louisville Blanks Rebels 30-0

PICTURE & STORIES BY  
RONNY SHIVER

Friday night was again proof that lightning does strike twice, "regrettably." Louisville took the kickoff from Zion and on two plays gained 14 yards for a first down. Varner failed to gain and on second down threw an incomplete pass to Baker which was picked off by Zion Chapel's Daniel Sanders.

The Rebels took over on their own 34-yard line, but after a tackle behind the line and two incomplete passes, had to punt to the Red Devils. The snap was low and was picked up by Sanders who attempted to run the ball, only to be dropped behind the line for an 8-yard loss on the play.

Louisville took over but failed to gain a first down, and the ball went over. Zion got one first down, but failed on the second and were forced to punt back to the Red Devils. The kick was taken by Howard Baker, who scrambled back to a 38-yard touchdown, Louisville's first of the game! On the conversion, a Hagler-to-Baker two-point pass put the Red Devils up 8 to 0 midway of the first quarter.

Daniel Sanders took the kickoff from Louisville and ran it back for 13 yards, but again Zion failed to gain a first down and had to kick to the Red Devils. On first down Louisville's Varner fumbled the ball and it was recovered by Zion's Mark Sorey.

Zion couldn't get organized and had to take a five-yard penalty but gained it back on the next play. On the 2nd down play, the Rebels' luck struck again and the ball was fumbled away to the Red Devils. Louisville then took their game to the Rebels with a series of 12 downs and 69 yards rushing, only to come up short on 4th down by less than half the length of a football.

The Rebels took over and gained one first down, but couldn't muster a second and punted the ball away to Louisville's Howard Baker. Varner and Thompson then alternated runs for 16 yards and a Devil's first down.

On the first play of the second possession, Louisville took a 15-yard personal foul penalty. The down remained and Anthony Varner scrambled 9 yards to the Zion Chapel 36. Louisville then went to the air with a Hall-to-Thompson pass that was good for 27 yards and another Red Devil touchdown. Hall put the skin through the uprights for the extra point and made the score 15-0 Louisville.

On the kickoff, Zion's Danny Parker returned the ball for 22 yards while Louisville gave up another 15 yards for blocking below the

Zion Chapel's Mike Hill (17) hurries in to recover a fumble before a Red Devil player can regain possession.

waist. Both teams failed to gain a first down and had to exchange punts. On Zion Chapel's 2nd series of downs, they failed to complete two passes and on fourth down had to punt back to Louisville. On another bad snap, Sanders fumbled the ball and had to scramble to get off a kick. The punt was blocked and Louisville took over on the Zion 8-yard line.

On the first-down play, Hagler took the ball into the endzone for the Red Devils third touchdown of the game. On the conversion, Hagler drove into the endzone for two points, making the score at the end of the first half - Louisville 23 - Zion Chapel 0.

At halftime the Zion Chapel Rebels Marching Band gave an outstanding performance of marching and musical skill. Band director, Randall Myers, along with drum major Robin Day, are to be complimented on the job they are doing with this young band.

The second half began with Zion Chapel's Eddy Arnold returning the kickoff for 20 yards, and on second down, Louisville gave up another 15 yards on a holding penalty. But on the next down, the Rebels fumbled the ball away and the Red Devils took over on the Zion Chapel 44-yard line.

Louisville fumbled on first down and recovered, gained two yards on second, one yard on third and on fourth down, punted into the endzone, giving Zion the ball on their own 20-yard line. The Rebels lost one yard on first down, 10 yards on second down, and completed a pass to Eddie Arnold on third down only to fall short

Zion Chapel cheerleader Donna Foley keeps the spirit in the Rebels' loss to Louisville.

by half a yard. The Rebels punted to Louisville, who in a series of four downs, drove downfield 60 yards for another Red Devils touchdown. On the conversion, Sanders taking the ball for a 25-yard runback. On a series of three first downs, the Rebels finally seemed to have put a drive together,

but on a fourth down penalty, Louisville declined and took the ball on their own 21-yard line.

Zion took the ball on their own 20-yard line and together with Louisville, accumulated a total of 6 fumbles on the next 12 downs, with three going to each team. Zion Chapel took the last possession and managed to get off two plays before the end of the game with the final score, Louisville 30 - Zion Chapel 0.

# REFERENDUM TO STATE SALES TAX BILL

## STATE OF ALABAMA COUNTY OF COFFEE

NOTICE is hereby given that a bill substantially as follows will be introduced in the Legislature of Alabama and application for its passage and enactment will be made, to-wit:

### A BILL TO BE ENTITLED AN ACT

Relating to Coffee County; providing for a referendum election to submit to the qualified electors of Coffee County the question whether the Coffee County Commission shall be authorized to levy and impose a county sales tax and a county use tax; providing for the authority of the Coffee County Commission to levy such taxes generally paralleling the state sales taxes provided for in Division 1 of Article 1 of Chapter 23 of Title 40 of the Code of Alabama 1975, as amended, and the state use taxes provided for in Article 2 of Chapter 23 of Title 40 of the Code of Alabama 1975, as amended, respectively; providing certain additional exemptions from such taxes; specifying the rates at which those taxes may be levied; providing for the ascertainment, collection, payment, distribution and use of the proceeds of those taxes as levied by the Coffee County Commission, and for the enforcement of this Act by the State Department of Revenue; providing for the termination of the taxes authorized to be levied hereunder; and prescribing penalties and fixing punishment for violations of this Act.

### BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

**Section 1. Definitions.** All words, terms, and phrases as defined in the State Sales Tax Statutes and the State Use Tax Statutes shall, wherever used in this Act, have the same meanings respectively ascribed to them in those statutes, except where the context hereafter clearly indicates a different meaning. In addition, the following words, terms, and phrases where used in this Act shall have the following respective meanings except where the context clearly indicates a different meaning.

"Commission" means the Coffee County Commission or other governing body of the County, and any successor thereto.

"Commissioner" means the Commissioner of Revenue of the State.

"Construction" means (a) the complete exterior and interior building of a courthouse in the City of Enterprise, including, but not limited to, the grounds, plumbing, wiring, foundation, roof, air conditioning and heating, proper insulation, elevators, accommodations for handicapped persons, office furniture, fixtures and equipment, vaults and equipment necessary for the preservation of records, including microfilm and microfiche equipment, and (b) such construction and equipment of a new county jail, containing not more than four cells, as the Coffee County Commission may determine to be advisable and necessary.

"County" means Coffee County, Alabama.

"Month" means the calendar month.

"Quarterly Period" means the period of three months ending on the last day of each March, June, September and December.

"Registered Seller" means the person registered with the State Department of Revenue pursuant to the State Use Tax Statutes or licensed under the State Sales Tax Statutes.

"Renovation" means (a) complete exterior and interior restoration of the existing courthouse in the City of Elba, including, but not limited to, the grounds, plumbing, wiring, foundation, roof, air conditioning and heating, proper insulation, elevators, accommodations for handicapped persons, office furniture, fixtures and equipment, vaults and equipment necessary for the preservation of records, including microfilm and microfiche equipment, and (b) such improvements and equipment to the existing county jail in the City of Elba as the Commission may determine to be advisable and necessary.

"State" means the State of Alabama.

"State Sales Tax" means the tax or taxes imposed by the State Sales Tax Statutes.

"State Sales Tax Statutes" means Division 1 of Article 1 of Chapter 23 of Title 40 of the Code of Alabama 1975, as amended, including all other statutes of the State, as such statutes may be from time to time amended, which expressly set forth any exemptions from the collection of the taxes levied in said Division 1 and all other statutes which expressly apply to, or purport to affect, the administration of said Division 1 and the incidence and collection of the taxes imposed thereon.

"State Use Tax Statutes" means the tax or taxes imposed by the State Use Tax Statutes.

"State Use Tax Statutes" means Article 2 of Chapter 23 of Title 40 of the Code of Alabama 1975, as amended, including all other statutes of the State, as such statutes may be from time to time amended, which expressly set forth any exemptions from the collection of the taxes levied in said Article 2 and all other statutes which expressly apply to, or purport to affect, the administration of said Article 2 and the incidence and collection of the taxes imposed thereon.

"State Use Tax Statutes" means the tax or taxes imposed by the State Use Tax Statutes.

"State Use Tax Statutes" means the tax or taxes imposed by the State Use Tax Statutes.

**Section 2. Referendum Election Required.** The Commission shall call a referendum election required by this Act to be submitted to the qualified electors of the County the question whether the Commission shall be authorized to levy and impose, subject to the provisions of this Act, a county sales tax and a county use tax. The referendum election shall be held, not later than the general election to be held in November, 1982, on such date as the Commission shall determine; provided, however, that the referendum election shall not be held at any primary or runoff election. Notice of the referendum election shall be given by the Commission by publication in a newspaper published in the County once a week for three consecutive weeks, the first publication to be made at least 30 days before the election, which notice shall state the purpose for which the election is to be held and the time and place for holding the same.

The ballot used at the referendum election shall be prepared by the Commission and shall read substantially as follows:

"Shall the Coffee County Commission be authorized to levy and impose a sales tax and a use tax in Coffee County at a rate or rates not exceeding one percent (1%) of gross sales, gross receipts, or sales price, as the case may be, 20% of the proceeds of which (after deducting costs of collection) shall be used to pay for capital outlay purposes in the public schools of Coffee County, and the remaining 80% of the proceeds of which (after deducting costs of collection) shall be used (1) to finance, through the pledge or use, directly or indirectly, of such proceeds for the payment of bonds, warrants or other securities issued by the County, or by any agency or instrumentality of the County (such as a county public building authority), the costs of, or (2) to pay the costs of, all (but not less than all) of the following: (a) constructing and equipping a new courthouse in Enterprise, (b) constructing and equipping a new county jail in Enterprise containing not more than four cells, (c) renovating and equipping the existing courthouse in Elba, and (d) renovating and equipping the existing county jail in Elba? Yes \_\_\_\_\_ No \_\_\_\_\_

The referendum election shall be held and the officers appointed to hold the same shall be appointed in the manner provided by law for holding other county elections, and the returns thereof shall be tabulated and the results certified as provided by law. The costs of the election, including the cost of publishing notices thereof, shall be paid out of the general funds of the county.

**Section 3. Authority to Levy Sales and Use Taxes.** If a majority of the votes cast at the referendum election is affirmative, the Commission shall have authority to levy and impose a county sales tax and a county use tax or taxes paralleling the State Sales Tax and the State Use Tax, respectively, the amount of any such tax to be determined by the application of rates against gross sales or gross receipts, or sales price, as the case may be, and within specified areas at a rate or rates not exceeding one percent (1%) of gross proceeds of sales or receipts, or sales price, as the case may be. Such taxes, if levied, shall be in addition to and not in lieu of any sales or use tax now or hereafter in effect in Coffee County.

There are exempted, however, from the provisions of this section and from the computation of the amount of the sales taxes authorized to be levied in this section, the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the State Sales Tax Statutes from the computation of the amount of the State Sales Tax. There are specifically exempted from taxes authorized to be levied in this Act all new and used motor vehicles and parts thereof, and all new and used farm equipment, implements and parts thereof, as well as gasoline, lubricating oil, seed, fertilizer, prescription drugs, pesticides, and insecticides.

There are also exempted from the provisions of this section, and from the use taxes authorized to be imposed by this section, the storage, use or other consumption of property the storage, use or other consumption of which is presently exempted under the State Use Tax Statutes from the computation of the amount of the State Use Tax. Subject to the exemptions herein provided, every person or entity otherwise consuming in the County tangible personal property purchased at retail or after the effective date of this Act in which the tax accrues; and the use taxes authorized by this section, and the liability shall not be extinguished until the tax has been paid by such person; provided, however, that receipt by the Registered Seller, given pursuant to Section 6 of this Act to the purchaser of any property to be used, stored or consumed in the County shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may refer.

**Section 4. Payment of Taxes Herein Levied.** By Taxpayer. The sales taxes authorized to be levied in Section 3 of this Act shall be due and payable in monthly installments on or before the twentieth day of the Month next succeeding the Month in which the taxes are levied, and shall be due and payable quarterly on or before the twentieth day of the Month next succeeding each Quarter Period during which the storage, use or other consumption of the tangible personal property became taxable hereunder, each such Quarterly Period to end on the last day of the Month of March, June, September and December. All sales taxes authorized to be levied herein shall be paid to and collected by the State Department of Revenue at the same time and in the same manner as the collection of the State Sales Tax; and the use taxes authorized to be levied herein shall be paid to and collected by the State Department of Revenue at the same time and in the same manner as the collection of the State Use Tax.

On or prior to the due dates of the taxes herein authorized to be levied, each person subject to such taxes shall file with the State Department of Revenue a report or return in such form as may be prescribed by the Department, setting forth, with respect to all sales and business transactions that are required to be used as a measure of the sales taxes herein authorized to be levied, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business transactions, and setting forth, with respect to the use taxes authorized to be levied, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business transactions, and setting forth, with respect to the use taxes authorized to be levied, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business transactions, and setting forth, with respect to the use taxes authorized to be levied, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business transactions.

**Section 5. Sales Tax to be Added to Sales Price or Admission Fee.** Each person engaging or continuing within the County in a business subject to the sales taxes authorized to be levied in Section 3 hereof, shall add to the sales price or admission fee and collect from the purchaser or the person paying the admission fee the amount due by the taxpayer on account of said taxes. It shall be unlawful for any person subject to the sales taxes authorized to be levied herein to fail or refuse to add to the sales price or admission fee and to collect from the purchaser or the person paying the admission fee the amount herein required to be so added, or to fail or refuse to add to the sales price or admission fee and to collect from the purchaser or the person paying the admission fee the amount herein required to be so added, or to fail or refuse to add to the sales price or admission fee and to collect from the purchaser or the person paying the admission fee the amount herein required to be so added.

**Section 6. Special Provisions Regarding Payment of Use Tax Receipts and Returns by Registered Seller.** Every Registered Seller making sales of tangible personal property for storage, use or other consumption in the County (which storage, use or other consumption is not exempted from the use taxes herein authorized to be levied) shall, at the time of making such sale, or if the storage, use or other consumption of such tangible personal property in the County is not then subject to the taxes herein authorized to be levied, at the time such storage, use or other consumption becomes subject to the taxes herein authorized to be levied, collect the tax from the purchaser, and shall give to the purchaser a receipt therefor in the manner and form prescribed by the State Department of Revenue. On the twentieth day of the Month next succeeding each Quarter Period, each Registered Seller shall file with the State Department of Revenue a return for the then preceding Quarterly Period in such form as may be prescribed by the State Department of Revenue showing the total sales price of the tangible personal property sold by such Registered Seller, the storage, use or other consumption of which became subject to the use taxes herein authorized to be levied, and the amount of the use taxes herein authorized to be levied, and the amount of the use taxes herein authorized to be levied, and the amount of the use taxes herein authorized to be levied.

**Section 7. Enforcement of This Act; Civil Suit; Taxes a Lien.** The taxes authorized to be levied and imposed by this Act shall constitute a debt due the County and may be collected as provided by law. The said taxes, together with interest and penalties with respect thereto, shall constitute and be secured by a lien upon the property of any person from whom said taxes are due or who is required to collect said taxes. All the provisions of the revenue laws of the State which apply to the enforcement of liens for license taxes due the State shall apply fully to the collection of the taxes herein authorized to be levied, and the State Department of Revenue, for the use and benefit of the County, shall collect such taxes and enforce this Act and shall have and exercise for such collection and enforcement all rights and remedies that the State or the State Department of Revenue has for the collection of the State Sales Tax and the State Use Tax. The State Department of Revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the taxes authorized to be levied by this Act, and otherwise to enforce the provisions of this Act, including the institution, prosecution and defense of any litigation involving this Act, and the Department shall make such reports and keep such records as may be required by the State Department of Revenue, and shall comply with the provisions of this Act, including the institution, prosecution and defense of any litigation involving this Act, and the Department shall make such reports and keep such records as may be required by the State Department of Revenue, and shall comply with the provisions of this Act, including the institution, prosecution and defense of any litigation involving this Act.

**Section 8. Applicability of State Sales and Use Tax Statutes.** All provisions of the State Sales Tax Statutes with respect to the collection, assessment and enforcement of the State Sales Tax, making of monthly reports and keeping and preserving records with respect thereto, interest after the due date of such taxes, and the failure to make such reports or otherwise comply with the State Sales Tax Statutes, the promulgation of rules and regulations with respect to the State Sales Tax, and the administration and enforcement of the State Sales Tax Statutes, which are not inconsistent with the provisions of this Act, when applied to the sales taxes authorized to be levied in Section 3 hereof, shall apply to the sales taxes authorized to be levied under this Act, and all provisions of the State Use Tax Statutes with respect to payment, assessment and collection of the State Use Tax, making quarterly reports and keeping and preserving records with respect thereto, interest after the due date of the State use tax, penalties for failure to pay said tax, make reports or otherwise comply with the State Use Tax Statutes, the promulgation of rules and regulations with respect to the State Use Tax, and the administration and enforcement of the State Use Tax Statutes, which are not inconsistent with the provisions of this Act, when applied to the use taxes authorized to be levied in Section 3 hereof, shall apply to the use taxes authorized to be levied under this Act, and all provisions of the State Use Tax Statutes with respect to payment, assessment and collection of the State Use Tax, making quarterly reports and keeping and preserving records with respect thereto, interest after the due date of the State use tax, penalties for failure to pay said tax, make reports or otherwise comply with the State Use Tax Statutes, the promulgation of rules and regulations with respect to the State Use Tax, and the administration and enforcement of the State Use Tax Statutes, which are not inconsistent with the provisions of this Act, when applied to the use taxes authorized to be levied in Section 3 hereof, shall apply to the use taxes authorized to be levied under this Act.

**Section 9. Charge of State Department of Revenue; Its Distribution of Tax Proceeds.** The State Department of Revenue shall charge the county, for collecting the taxes authorized to be levied under this Act, such amount or percentage of total collections as may be agreed upon by the Commissioner and the Commission, but such charge shall be in addition to the amount of the total amount of the taxes collected hereunder. Such charge for collecting the said taxes for the County may be deducted each Month from the tax proceeds collected by the County for the said taxes, and the County for that month is certified as provided in this section. The Commissioner shall pay into the state treasury all taxes collected under this Act, as such taxes are received by the State Department of Revenue; and on or before the first day of each successive Month (commencing with the Month next succeeding the Month in which the said taxes are received by the State Department of Revenue) the Commissioner shall certify to the State Controller the amount of taxes collected hereunder in said Month the charges due the State Department for the collection of the said taxes. It shall be the duty of the State Controller (i) to issue his warrant each Month payable to the County in an amount equal to the amount so certified by the Commissioner as having been collected for the use of the County, and (ii) to transmit to the County, along with the said warrant, a copy of the said certificate by the Commissioner.

**Section 10. Use of Proceeds.** The entire proceeds derived by the County from the taxes authorized to be levied hereunder (including any income derived from the investment of such proceeds) shall, subject to the provisions of Section 11 of this Act, to be applied and used as follows:

(a) Twenty percent (20%) of the said proceeds shall be distributed by the Commission to the several boards of education in the County on a pro rata basis according to the average daily attendance at the schools operated by each such board of education, according to the records of the State Department of Education for the school year 1980-81, and used for capital outlay purposes for the said schools.

(b) The remaining eighty percent (80%) of said proceeds shall be applied and used as follows:

(i) except as otherwise provided in subsection (ii) of this section, the entire proceeds shall be used for the purpose of paying costs of the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (ii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (iii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (iv) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (v) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (vi) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (vii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (viii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (ix) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (x) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xi) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xiii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xiv) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xv) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xvi) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xvii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xviii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xix) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xx) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxi) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxiii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxiv) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxv) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxvi) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxvii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxviii) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor; or both, (xxix) so much as may be necessary therefor out of such proceeds shall be used for payment of the principal of and interest (and premium, if any) on any bonds, warrants or other securities issued by the County for one or more of the purposes described in the preceding subsection (i), (or, if such bonds, warrants or other securities were not issued by the County but rather by an agency or instrumentality of the County and are payable from revenues to be derived by such agency or instrumentality from the leasing to the public building or buildings the costs of which are being financed in whole or in part by such bonds, warrants or other securities for payment of the principal of and interest (and premium, if any) on such bonds, warrants or other securities, the proceeds of which are being used for the purpose of financing the Construction, the Renovation, or both, or accumulated for subsequent use therefor;
